4. Conclusion and Recommendations

Mode of Shipment:
 Bidder has quoted FOB charges (inland transportation) and sea freight charges US\$ 3,425.00 in case order place by sea. However, they offered US\$ 3,650.00 for inland and air freight charges. The difference is US\$ 225.00 only. The material is also urgently required by CP Department. Hence the shipment by air is recommended through bidder.

In view of above, solicit your approval for placement of order on C&F (by air) basis as recommended below:
