Technical Evaluation:

Technical evaluation was carried out by Distribution Department, vide memo No.CE/MCU/405 dated 20 February 2007 and they determined all bidders technical compliant except M/s.Shanding Boshan, China.

M/s.Shanding Boshan, China are the lowest bidder but they are technically non-compliant due to the following reasons:

Ring and ball softening point of adhesive 110 C? offered 93 C?

Cathodic disbondment at 80 C? after 30 days on 15mm max. Bidder offered 3mm at 65C? for 48 hrs.

Lab test reports submitted by them are based on different codes/standards, which are not understandable thus deviates as specified by tender specifications.
