**INVITATION TO BID**

Sui Southern Gas Company Limited, (SSGCL) has pleasure in extending you an invitation, to submit bid for the subject material according to Terms and Conditions specified in the attached Tender Document. Please read following instructions before submission of bid:

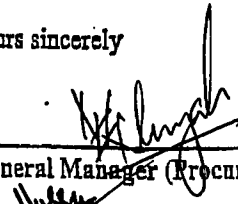

1. Bids are to be submitted in sealed envelope provided with the tender, indicating Tender Enquiry Number & its opening date and time on the face of the envelope.
2. Bid Bond @ 2% of the total FOR / FOB value shall be enclosed with the bid without which bid will be rejected and returned to bidder unannounced. The Bid Bond shall remain valid till the last date of the month in which it is expiring.
3. In case the bid opening date falls on a holiday or due to some unavoidable circumstances, it is not possible to open on scheduled date, it will be opened on next working day at the same time and at the same venue.
4. The bidder shall bear all expenses associated with the preparation and delivery of its bid/sample and the Company will in no case be liable in this respect.
5. Prospective bidder requiring any information or clarification of the tender may notify the same by fax or at the mailing address. The Company will respond to any request for explanation or clarification, if received within reasonable time prior to submission of bids.
6. The Company reserves the right to cancel, amend or amend tendered items/quantities/any part of the tender during the bidding period without assigning any reason. However, bidders shall be informed about it prior to bid opening process.
7. The Company reserves the right to accept or reject any bid or part of a bid or to annul the bidding process and reject all bids at any time prior to award of contract/phase order without thereby incurring any liability to the affected bidder(s).
8. In case of Single stage two (02) envelope bidding procedure (as mentioned in press advertisement & Tender document), sealed technical offer & sealed bid shall be submitted in separate envelopes Bid Bond will be enclosed with "commercial" bid. "Technical Proposal" and "Financial Proposal" is to be mentioned on the top of the envelope. Technical offers will be opened and evaluated first. Financial offers of only technically compliant bidders will be opened at a later intimated date in presence of bidder's representatives. Financial proposal of technically non-compliant bidders will be returned unopened along with their bid bond.
9. For Tenders invited on F.O.B/C&F basis, conditions as mentioned in Section 1.1 will also apply.
10. The Company will appreciate confirmation by fax No 92-21-99231583 or email at [mmte@ssgc.com.pk](mailto:mmte@ssgc.com.pk) or to DGM (Procurement) of your intention to submit the bid and if not interested in submission of bid, it will be appreciated if it is intimated through fax or email with mentioning of reasons.
11. Bids are required to be submitted at:

Tender Room, CRD Building, Head Office Complex, Sir Shah Suleman Road Gulshan-e-Iqbal, Karachi Pakistan. Ph. 0092-21-99021024, 0092-21-99021223, 0092-21-99021279, 0092-21-99013074, Fax # 0092-21-99231583, Email: [mmte@ssgc.com.pk](mailto:mmte@ssgc.com.pk)

Hope and look forward for your valued participation.

Thanking you

Yours sincerely

  
General Manager (Procurement)

## Section - I

## General Terms &amp; Conditions

## 1. Submission of bids:

- 1.1. Bids are to be submitted in sealed envelope provided with the tender (in such a manner that contents are fully kept enclosed and cannot be seen until opened) indicating tender enquiry number, its opening date and time on the top of the envelope. Envelopes shall be addressed to General Manager (Procurement Department) on the address provided on "invitation to bid". Envelope shall indicate the name and address of the bidder for returning the bid in case it is declared late or submitted without bid bond.
- 1.2. Sealed bids (as above) shall be mailed/submitted/dropped in tender box placed at Tender Room, GKI Building, SSGC Head Office. Bids are to be delivered on or before closing time after which bid will not be entertained. In case bid is sent through courier, the same shall be delivered at least half an hour before scheduled opening time.
- 1.3. The Company may at its discretion extend the closing date for the submission of bids, in which case all rights and obligations of the purchaser and bidders previously subject to the closing date will thereafter be subject to the date extended. However, any request for extension received from prospective bidder less than one week prior to bid opening date may not be entertained. In case of extension in bid opening date, the same will be advertised in press and simultaneously shall be intimated to prospective bidder who had purchased the tender documents.
- 1.4. The bid shall contain no interlineations, erasures or overwriting except as necessary to correct the errors made by the bidder, in case of any correction etc. it shall be signed and stamped by the person signing the bid.
- 1.5. The quoted price shall be inclusive of all duties/taxes except GST, which is to be mentioned separately. The supplier shall declare (if applicable) regarding non-applicability of GST for which documentary evidence shall be enclosed and produced upon demand.
- 1.6. Rates shall be item-wise, as given in price schedule/schedule of requirement/Bid Form unless otherwise specified.
- 1.7. Bidder is responsible for timely delivery of bids at location specified 1.2 above. Company will not be responsible for misplacement/ tampering/non-attendance/delay or any other incident in case the bid is not delivered at the designated place & time.
- 1.8. Any bid received late after the closing date and time, will be rejected and returned unopened.
- 1.9. The quotation shall only be acceptable on/as per Bid Form. In case for foreign tender when Local Agent submits bid on behalf of different bidders, a separate Bid Bond for each Bid is required. Likewise for tender when bidder submit alternative bids a separate bid bond for each bid is required or else bid will be liable for rejection.
- 1.10. Deviation from tender terms and conditions is not allowed. However, in unavoidable circumstances, these shall be mentioned at the bottom of "Section 3: Bid Form" deviation on any other page will not be entertained.
- 1.11. Discount offered (if any) shall be mentioned on the "bid form" only.
- 1.12. The bidder(s) or their authorized representative shall put his full signature with stamp & date on each page of tender document as well as enclosure vis-a-vis drawings, specifications etc. Any correction, overwriting shall be duly signed & stamped.
- 1.13. The bid is to be completed and returned to the Company in accordance with, General terms & conditions. General terms & conditions duly signed & stamped (as a token of acceptance) shall be submitted along with Bid Form (Price schedule) duly completed as per requirement. However, specifications/drawing is to be retained by bidder for their future references.

## 2. Eligible Countries / bidders:

The invitation for bids is open to all manufacturers/suppliers/stockiest/dealers/pre-qualified bidders but is not applicable to those countries where inter trade protocols with Pakistan do not exist or those countries from where imports are not allowed by Government of Pakistan.

## 3. Qualification/Disqualification of Suppliers:

The Company, at any stage of the procurement proceedings, having credible reasons for or prima facie evidence of any defect in supplier's or contractor's capacities, may require the suppliers or contractors to provide information regarding their professional, technical, financial, legal or managerial competency,

whether already pre-qualified or not. The Company shall disqualify a supplier or contractor if it finds, at any time that the information regarding their qualification as suppliers or contractors was false and materially inaccurate or incomplete. **Black Listing Mechanism**

#### 4. Joint Ventures:

In the event that the successful bidder is a joint venture (formation of two or more companies), the Company will require an undertaking on judicial stamp paper that the parties to the joint venture accept joint and several liabilities for all obligations under the purchase order/contract.

#### 5. Clarification of tender documents:

Prospective bidders requiring any further information or clarification of the tender documents may notify, the Company in writing or by fax or at the Company's mailing address indicated in the "invitation to bids". The Company will respond in writing to any request for information or clarification of the tender documents, if received five working days prior to closing date for the submission of bids prescribed by the Company. The Company's response (including an explanation of the query) will be sent in writing or by fax/e-mail to all prospective bidders who have purchased the tender documents. Verbal instructions/reference will not be acceptable.

#### 6. Modification and withdrawal of bid:

- 6.1 The bidder may modify or withdraw its bid after the bid submission, provided the written notice of the modification or withdrawal is received by the Company prior to the deadline prescribed for submission of bid. After the bids/quotations are opened, no bidder shall be allowed to revise, propose or request any change in the bid.
- 6.2 The bidder's modification or withdrawal notice shall be sealed and addressed to GM (P). A withdrawal notice may be sent by fax followed by a signed copy.
- 6.3 Bids once opened cannot be withdrawn during validity period.

#### 7. Bid validity:

All offers shall remain valid up to 90 days (120 days in case of Envelope bidding procedure) from the date of opening of bids, until any further extension agreed by the bidder. If the bidder agrees for extending bid validity the bid bond shall also be extended accordingly. A bidder giving extension to his bid validity will not be required or permitted to modify his bid. If there will be any query/clarification or extension request asked by the Company, the bidder should reply the same within 7 days after receipt of the same and if bidder takes more than 7 days the delay in reply will be added to their bid validity period.

#### 8. Rate Escalation:

##### 8.1 All items except line-pipe:

Quoted prices shall remain valid, firm, irrevocable and fixed till the fulfillment of obligations by the bidder and will not be subject to escalation / change on any account.

##### 8.2 Line-pipe only:

8.2.1 Bidders are essentially required to submit detailed breakdown of rates indicating per ton price of:

- a) H.R. Coil
- b) All other charges (including wastage, transportation, conversion cost etc).

8.2.2 Rate / price offered by the bidders shall be firm and irrevocable. However bidder offering pipe manufactured from Pakistan Steel Mills (PSM) HR coil are required to submit certified documentary evidence of HR coil rates. Adjustment in line-pipe rates (from the bid opening date till the currency of order) due to change in rate of HR coil manufactured by PSM is admissible to the extent of raw material cost without wastage. The bidders are required to submit certified documentary evidence of HR coil rates published by PSM, at the time of submission of bids. SSGC may verify the document / rates from PSM.

8.2.3 The variation clause however shall not be applicable on line-pipe quantities which were delivered within 20 days of the announcement of the variation (both days inclusive) in price of HR coil by PSM.

8.2.4 The variation clause also shall not be applicable on the line pipe quantities delivered after the specified delivery schedule (total or monthly consignment wise) -

8.2.5 No escalation is applicable on line pipe manufactured from imported HR coil.

9. **Bid bond (earnest money):**

Bid bond equivalent to two percent (2%) of the total offer value, in favor of Sui Southern Gas Company Ltd. shall accompany the bid if bid value is above Rs.500,000 in the form of pay order, demand draft, call deposit receipt or a bank guarantee (specimen of bank guarantee is attached at Annexure-A), issued by a scheduled bank in Pakistan. The bid bond shall remain valid for 120 days (150 days in case of Two Envelope bidding procedure) unless specified otherwise. The bid bond shall be returned/refunded to the unsuccessful bidders while the bid bond of the successful bidder shall be retained, till submission of Performance bond (if applicable). Bids without bid bond will not be considered. In case the order value is less than Rs: 500,000 the bid bond in lieu of performance bond will be retained till fulfillment of obligations by the supplier. However, in either case the bidder is responsible to arrange the extension the bid bond validity as per requirement. If bid bond submitted by the supplier is more than 2% of ordered value, it may be replaced with appropriate value. If order value is less than Rs. 500,000, the bid bond will be returned along with the order. Bid bonds of non-compliant bidders may be released during evaluation process. The bid bond may be forfeited if a bidder withdraws the bid during validity period specified by the bidder or if successful bidder fails to

- ✓ Accept purchase order.
- ✓ Furnish performance guarantee in accordance with clause 16 of Section 1,
- ✓ Supply material as per requirement and delivery schedule.

9.1 In the event of bid bond validity following shorter the prescribed period of 120 or 150 days as the case may be either (i) due to extension in the bid submission date or (ii) where so required by the procuring agency, then in such an event it shall be mandatory on the bidder to extend the bid bond validity upto 120/150 days within 30 days of the opening of technical proposal / bid, and / or where so required by the procuring agency.

9.2 In the event of the bid security amount deposited / furnished by the bidder falls short by 10% of the requisite Bid security amount. The procuring agency keeping in view the nature of the procurement may consider and allow the bidder to deposit / furnish the balance 10% amount, provided the bidder does so within 15 days of the opening of the bid. Notwithstanding that all other terms & conditions have been fully complied with.

10. **Opening of bids:**

Bids will be opened in presence of bidders or their authorized agents at the address provided in "invitation to bids". The bidder's representatives who are present shall sign the bid opening sheet (attendance sheet) to mark their attendance/witness. Commercial contents of bids will be announced/recorded in bid opening sheet.

11. **Preliminary Examination of bids:**

- 11.1 The Company will examine the bids to determine their completion, computational errors, provision of guarantees, authorized signature and other related matters.
- 11.2 Arithmetic errors will be rectified on the following basis. Discrepancy between unit price and the total price obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price will be corrected. Discrepancy between total bid amount and the sum of total prices, the total prices shall prevail and the total bid amount will be corrected.
- 11.3 Prior to a composed evaluation, the Company will determine the substantial responsiveness of each bid to the bidding documents. In Company's opinion a substantially responsive bid is the one which conforms to all the terms and conditions of the bidding documents without any material deviation.
- 11.4 Bid determined as not substantially responsive will be rejected by the Company and cannot subsequently be made responsive by the bidder through correction of the non-conformity.

**12. Clarification of submitted bids:**

To assist in the examination, evaluation and comparison of bids, the Company may at its discretion inquire any clarification from bidder about their bid. All responses by bidders shall be provided in writing and no change in the price or substance of the bid shall be sought, offered or permitted.

**13. Technical Literature & Samples:**

The Bidder(s) shall submit the following:

- 13.1 Samples (if applicable/required)
- 13.2 Original or legible copy of technical literature/performance characteristics
- 13.3 Test Certificates (if applicable/required)
- 13.4 Documentary evidence for legal import in case of imported material. (At the time of delivery when quoted on FOR basis)
- 13.5 In case of pipeline operation material bidders must also attach a "proof from supplier/manufacturer" that goods offered have been used successfully on a high pressure natural gas pipeline elsewhere under tropical climatic conditions.

**13.6 Specification Compliance Sheet:**

Company requires a clause-by-clause commentary on the Specifications, demonstrating the materials responsiveness to those specifications or a statement of deviations and exceptions to the provisions of the specifications, if so required/desired. For purposes of the commentary to be furnished pursuant to above, the bidder shall not state that standards for workmanship, material and equipment and references to brand names or catalogue numbers, designated by the Company in the specifications are intended to be descriptive only and not restrictive. The bidder may substitute other authoritative standards, brand names and/or catalogue numbers in its bid provided which demonstrates to the Company's satisfaction that the substitutes are equivalent or superior to those designated in the specifications by the Company.

Bid which does not possess above documents, certificates etc., may be considered technically Non-compliant.

- 13.7 The offer shall be accompanied with all technical data/documents/certifications as required under the tender specifications. Evaluation shall be carried out on the basis of data/ documents/certifications submitted with the bid. No clarification, additional information may be sought / accepted after bid opening.

**13.8 Deviation to technical specifications:**

The bidder shall fill the "technical compliance sheet" and mention all specifications along with reference to its technical brochure/literature (page/clause No.etc). States such as "Compliant" or "Confirmed" is not acceptable. Deviation to tender terms and technical specification is not acceptable. However, if bidder feels to mention minor deviation, the same shall be referred categorically on the "Bid Form" as well as on the technical compliance sheet stating reference of its technical data sheet/brochure. In case of insufficient information, data or documents, the Company is not liable to seek clarification and the bid may be determined non-compliant on provided information.

**14. Award/Evaluation Criteria:**

- 14.1 In case of locally manufactured items e.g. service line material & meter components, manufactured by local vendors, the lowest bidder will be awarded maximum quantity as per his declared capacity and past performance in respect of delivery and quality. New vendors / manufacturers shall also be considered for placement of a purchase order up to a maximum of 10% of the tender quantity if their submitted sample has been tested and approved and provided they have quoted lowest price or agree to accept the order on lowest received price.

- 14.2 Generally for other items other than above, ordering shall be based on technical compliance and lowest quoted price. Supplies may be subject to pre shipment inspection and post qualification by a third party in case of foreign material. If required during the process of manufacturing and / or inspection, SSGCL representative may visit the manufacturer facility to witness the manufacturing / inspection process.

14.3 Evaluation may be carried out both on item or on group of items/single or multiple package basis depending upon the nature of requirement exclusively at the discretion of the company to ensure economic procurement.

14.4 Company reserve the right to settle the final terms of supply with the lowest evaluated and commercially responsive bidder. Any effort by the bidder (s) to influence the outcome of bid evaluation or placement of purchase order may result in disqualification of the bidder.

#### 15. Loading of Bids:

Bids may be loaded with following if offer found to be deviated from specifications, delivery schedule, terms & conditions without stating the amount involved in such deviation by following method:

- 15.1 The cost of compensation / loading amount for that item shall be derived from the bid itself.
- 15.2 If it is not possible, average of rates of other bidders, who have quoted for that item conforming to technical specification, shall form the basis for cost compensation/loading.
- 15.3 The company will encourage participation by local bidders who will be given price preference. Landed cost factor shall be determined as per prevailing Government policy / SRO. However they will submit details of local value addition on raw material imported by them and percentage of locally manufactured component with documentary evidence.

#### 16. Performance Bond:

- 16.1 In case purchase order value is above Rs:500,000, the successful bidders shall submit performance bond guarantee which is to be submitted within ten days from receipt of LOI or order along with integrity pact. The successful bidder shall submit a performance bank guarantee (PBG) in the form of a pay order or bank guarantee (specimen attached at Annexure-B) issued by a scheduled bank in Pakistan, for an amount equivalent to 10% of the total value of the purchase order or as specified, in the "letter of intent". The performance bond unless specified otherwise; shall remain valid till;
  - 16.1.1 Completion of final satisfactory delivery in case of consumable items.
  - 16.1.2 12-18 months from the date of satisfactory delivery of the equipment/machinery.
  - 16.1.3 Satisfactory delivery/installation of system in case the installation responsibility is on supplier's part.
  - 16.1.4 120 days in case of chemicals.
  - 16.1.5 In case of locally manufacturing item, the PBG equivalent to 3 months delivery schedule will be required after placement of purchase order which should remain valid till completion of final satisfactory delivery of the ordered quantity.
  - 16.1.6 In case of small diameter line pipe (MS/MDPE) the PBG shall remain valid up to 3 months after completion of satisfactory final delivery.
  - 16.1.7 In case of Vehicles, Manufacturer's Warranty is required in lieu of PBG.
- 16.2 The guarantee will be released after completion of this period, subject to satisfactory performance of the supplied equipment/machinery/system as mentioned at 16.1 above. The supplier shall keep the guarantee valid at their cost until fulfillment of the obligations.
- 16.3 In case the bidder does not submit the performance bond as specified, the delivery time of goods shall be deemed to have commenced 10 days (15 days in case of import) from the issuance of letter of intent/purchase order. The proceeds of the performance bond shall be payable to the Company as compensation for any loss resulting from the supplier's failure to complete its work under the purchase order/ contract. The validity period of the performance bond is to be extended if the delivery date/period is being extended mutually by the Company/Supplier.
- 16.4 The performance bond will be discharged / returned by the Company not later than thirty (30) days following the date of completion of the supplier's work under the purchase order/contract including any warranty/guarantee/performance obligations as specified in the special conditions of contract. The supplier shall not be absolved of their liability to perform in case of encashment of performance bond by the Company, who shall have the right to claim and receive all damages/losses incurred due to non-performance.
- 16.5 The Company shall promptly notify the supplier in writing for any claim arising under this guarantee. Upon receipt of such notice, the supplier shall promptly repair or replace the defective goods or parts thereof, without cost to the Company other than, where applicable the cost of inland delivery of the repaired or replaced goods or parts from the port of entry to the final destination.

- 16.6 If the supplier, having been notified, fails to rectify the defect (s) in accordance with the purchase order/contract, the Company may proceed to take such remedial actions as may be necessary at the supplier's expense. Any amount payable by the supplier under this clause may be recovered by the Company by withdrawing from the performance bond without having to notify or seek the approval of the supplier.
- 16.7 Nothing herein contained shall be construed to limit supplier's obligation of performance of the order/contract to the value of the performance bond.
- 16.8 **Guarantee/Warranty:** In case where performance guarantee is not applicable, the supplier shall confirm that all supplied goods under the contract/purchase order are new, unused, of the most recent or current models and incorporate all recent improvements in design and goods unless provided otherwise in the contract/purchase order. This guarantee shall remain valid for a period of twelve to eighteen months after the goods have been delivered or commissioned.
17. **Purchase Order/Contract:**  
Purchase order or quoted material may be placed on fulfillment of conditions mentioned at 14 & 16 above which is through formal confirmation for proceedings with the suppliers.
18. **Assurance:**  
The successful bidder will be required to give satisfactory assurance of its ability and intention to deliver the goods, pursuant to the tender enquiry and contract within the time set forth therein.
19. **Force Majeure:**
- 19.1 In the event of either party hereto being rendered unable, wholly or partially, by force majeure circumstances to carry out its obligations under the purchase order/contract documents, such party shall give notice and full particulars and other satisfactory evidence of such force majeure circumstance(s) in writing or by fax to the other party within 7 days after the occurrence of the cause(s). Relied upon the obligations of the party giving such notice so far as they are affected by such force majeure shall be suspended for the period during cause(s) shall, as far as possible, be remedied and obviated with all reasonable dispatch. The term 'force majeure' as employed herein, shall mean acts of God or public enemy, civil insurrection, fires, floods, earthquakes or other physical disasters, order or request of governments, blockade or embargo. It is, however, clarified that strikes, lockouts, shortage or non-availability of raw materials, rains, and disturbances, other labor dispute or congestion's in ports on the supplier's side shall not be included in the term 'force majeure'.
- 19.2 In case the force majeure contingencies last continuously for more than one month, both parties will agree on the necessary arrangements for the further implementation of the purchase order/contract. In case further implementation is unforeseeable and impossible, both parties shall arrange for the termination of the purchase order/contract, but without prejudice to their rights and obligations prior to such termination it being understood that each party shall fulfill its contractual obligations so far as they have fallen due before the operation of force majeure.
20. **Amendment in purchase order/contract:**
- 20.1 The Company may at any time by a written notice to the supplier make changes within the general scope of the purchase order/contract in any one or more of the following:-
- 20.1.1 Drawings, designs or specifications where goods to be furnished under the purchase order/contract are to be specifically manufactured for the Company.
- 20.1.2 The method of shipment or packing.
- 20.1.3 The place of delivery.
- 20.1.4 Quantities of item up to a maximum variance of +15% of purchase order/contract value.
- 20.2 Company reserves the right to increase/decrease the quantities or delete any or all items listed in the price schedule/schedule of requirement/bid form without assigning any reason.
- 20.3 Upon notification by the Company of such modifications the supplier shall submit to the Company an estimated cost for the proposed modification within ten (10) calendar days of receipt of notice of the modification and shall include an estimate of the impact (if any) of the modification on the delivery dates under the purchase order/contract, as well as a detailed schedule for the execution of the modification, if applicable.

- 20.4 The supplier shall not perform modification in accordance with clause 20.1 above until the Company have authorized a modification order in writing on the basis of the estimate provided by the supplier as described in clause 20.3.
- 20.5 Modification mutually agreed upon shall constitute a part of the work under the purchase order/contract and the provisions and conditions of the contract shall apply to the said modification.
- 20.6 If modification made by the Company results in a variation in purchase order/contract quantities whose net cost effect is within 15% of the total value then the original purchase order/contract rates would be applicable. Any "modification" affecting the quantities and the corresponding cost effect beyond 15 percent would be mutually agreed upon between the Company and the supplier.

#### 21. Extension in delivery period:

- 21.1 Delivery of the goods shall be made by the supplier in accordance with the schedule of requirement and delivery period; however, the supplier may claim extension of the time limits as set forth in the schedule of requirements and delivery period in case of
  - 21.1.1 Modification in the goods ordered by the Company pursuant to clause 20.
  - 21.1.2 Delay in provision of any services which are to be provided by the Company (services provided by the Company shall be interpreted to include all approvals by the Company under the contract).
  - 21.1.3 Delay in performance of work caused by orders issued by the Company.
- 21.2 The supplier shall demonstrate to the Company's satisfaction that it has used its best endeavors to avoid or overcome such causes for delay and the parties will mutually agree upon remedies to mitigate or overcome such causes for delay.
- 21.3 Notwithstanding clause 21.1 above, the supplier shall not be entitled to an extension of time for completion unless the supplier at the time of such circumstances arising, immediately has notified the Company in writing of any delay that it may claim as caused by circumstances pursuant to clause 21.1 above and upon request of the Company, the supplier shall substantiate that the delay occurred is due to the circumstances referred by the supplier.

#### 22. Packing:

- 22.1 The material shall be in original/sealed packing to ensure delivery without any damage during transit.
- 22.2 If any of the good is discovered to be damaged or unacceptable at the point of embarkation, the supplier shall be responsible for replacement of those goods free of any charge and cost to the Company, within the delivery time schedule of the contract/purchase order.
- 22.3 The identification marks showing contents, quantity and contract/purchase order number shall be printed on each skid/metal container/case containing one copy of invoice & packing list.
- 22.4 Handling and Transportation:  
The Supplier shall arrange for the proper stacking of the Goods and for its proper storage and lashing and for other such provisions/suitable measures as may be necessary to safeguard against movement and damage to the Goods from the point of loading to its designated destination.

#### 23. Inspection:

- 23.1 Pre-delivery inspection may be carried-out at the premises of supplier(s) and/or post delivery inspection at company's any location, by the appointed inspector/inspection team, third party inspectors appointed by the Company.
- 23.2 The Company reserves the right to arrange inspections and tests to the goods or manufacturing processes at any stage at any of the premises of the supplier or its subcontractor(s) or and at the point of delivery end at the goods final destination. Where conducted on the premises of the supplier or its sub-contractor(s), all reasonable facilities and assistance including access to drawings and production data shall be furnished to the inspectors at no charge to the Company. Such inspection, however, shall not relieve the Supplier to fulfill the obligations under the

purchase order/contract. If goods fail to conform to the specifications, the Company may reject them.

#### 24. Delivery:

- 24.1 Free delivery at any of the following locations, unless specified otherwise:
- 24.1.1 R & D Section, Stores Department Abul Hasan Ispahani Road, Karachi.
  - 24.1.2 R & D Section, Stores Department F-37, SITE Karachi.
  - 24.1.3 R & D Section, Stores Department F-76, Dope Yard SITE, Karachi.
  - 24.1.4 Meter Manufacturing Plant, Sir Shah Suleman Road, Gulshan-e-Iqbal Karachi.
  - 24.1.5 Khadeji Store, 57th Kilometer at Super Highway Karachi.
  - 24.1.6 Any other location specified by the company.
- 24.2 Delivery period shall commence after 10 days (15 days in case of import) of the issuance of letter of intent or from the date of purchase order/contract whichever is earlier, unless otherwise specified.
- 24.3 The supplier shall replace defective material at their risk & cost including transportation, duty, taxes etc.
- 24.4 GST Invoice if applicable be submitted at R&D section Stores Department along with material & delivery challan.
- 24.5 Unloading and stacking through cranes, fork lifters, labor etc. will be arranged by supplier at delivery site (for material like Pipes/Heavy Machinery & Equipment etc).
- 24.6 Delivery is to be made strictly in accordance with "delivery schedule" as specified by the Company.
- 24.7 The rejected material is to be collected/lifted by the supplier within a maximum period of one month after its intimation by the Company. Beyond specified period, the Company shall not be responsible for storage/safety of the uncollected material.

#### 25. Delivery Failure:

- 25.1 In case the supplier fails to supply/ship the material within the stipulated period, the Company have the right to make an alternative arrangement for the purchase of the goods on such terms as may be offered. In such event all losses, cost and charges sustained/incurred by the Company on stated purchase shall be recovered from the Supplier without prejudice to any other right or remedy available to the Company which includes recovery of losses sustained by the Company from any due payment of the said supplier.
- 25.2 In the event Company remains unable to make such alternative arrangements, the Company has the right to recover from the supplier any or all losses sustained as a result of the supplier's failure to ship/supply the goods as per schedule of delivery.
- 25.3 In the event Company being forced to purchase any quantity or any other alternative not specified in this document as a result of any failure to supply/ship the material, the Company shall have the right to terminate the contract/purchase order without prejudice to any other rights or remedies available to the Company.

#### 26. Payment:

- 26.1 The supplier after delivery of goods and its acceptance shall submit invoice to Finance Department of the Company, containing following information i.e.
- (a) Purchase order No. & date
  - (b) Items
  - (c) Quantity
  - (d) Price
  - (e) Invoice value
  - (f) Point of delivery
  - (g) Delivery challan indicating delivery date, etc.

Payment will be made within 30 days of completion of stated formalities.

- 26.2 Income Tax @ 3.5% or as applicable under the prevailing government rules will be deducted at source (except where the supplier provides an income tax exemption certificate). Quoted price shall be inclusive of all taxes, except GST, which shall be mentioned separately. Supplier(s) are required to submit signed and stamp acknowledgement slip, Sales Tax return, Annex "C" & Annex "T" (whichever applicable) in which Sales Tax (of relevant Sales Tax invoice) is paid.

- 26.3 In case supplier is not liable to pay tax under the income tax ordinance or is liable to pay tax at a lower rate the supplier shall obtain a certificate from the tax authorities in Pakistan to that effect. In case the required certificate is not produced by the supplier prior to the date of payment, then the Company shall deduct tax at source from the gross payment payable to supplier.

**27. Liquidated damages:**

- 27.1 If supplier fails to deliver ordered material within the stipulated period/scheduled time specified in purchase order, Company, without prejudice to any other remedies, shall deduct from the bill or any other due payments/guarantees, as liquidated damages, a sum equivalent to 0.1% per day of the undelivered goods up to maximum 10%. The liquidated damages shall also be applicable for the cancelled quantity of goods under clause 28.
- 27.2 Whenever liquidated damages become payable, in the event that delivery of all goods and equipment is not made within the time period specified except on account of force majeure, the Company shall quantify the same and shall serve notice to the supplier requiring payment thereof. If the supplier fails to remit payment within 15 days of receipt of such notice, the Company shall forth-with become entitled to recover the same without recourse to the supplier, by calling upon The Performance Bond, withdrawals by way of liquidated damages shall not reduce the value of the Performance Bond.
- 27.3 The payment of liquidated damages shall not relieve the supplier from performing and fulfilling all its obligations under the contract/purchase order nor shall the right and entitlements of the Company be affected or reduced in any manner.
- 27.4 In case of order placed on FOB/C&F basis, the delivery period shall commence from the date of confirmation of L/C. However, delay in submission of PBG period in excess of time limit will be deducted from the delivery period for the purpose of recovery of late delivery charges.
- 27.5 The liquidated damages shall be the sum equivalent to point one (0.1%) percent of the Contract price of the delayed goods as unperformed services for each day of delay, until actual delivery or performance, up to a maximum deduction of 10 percent of the Contract price. Once this maximum is reached, the Company may consider termination of the Contract at the risk and cost of the Supplier.

**28. Default by Supplier:**

- 28.1 The Company may, without prejudice to any other remedy by written "notice of default" sent to the supplier, cancel the purchase order whole or in part; if:
- 28.1.1 The supplier fails to deliver any or all of the ordered quantities per specified delivery schedule or any extension thereof granted by the Company.
- 28.1.2 The supplier fails to perform any other obligation(s) under the "purchase order".
- 28.1.3 The Company during the delivery period has reasons to believe that the supplier will not be able to fulfill the obligations under the purchase order/contract. The Company prior to exercising its right to cancel the purchase order/contract shall issue notice to the Supplier specifying the default(s) and the supplier shall submit an explanation within seven (07) days of receipt of such notice. If such explanation is not furnished within the stipulated time or if so furnished, is found to be unsatisfactory and/or the default(s) continues, purchase order/contract may be cancelled. The Company in addition to cancellation of purchase order/contract may suspend/cancel the enlistment of supplier.
- 28.2 The Company shall have the right to terminate/cancel the contract/purchase order concluded between the supplier and Company; if:
- 28.2.1 The successful bidder fails to furnish the performance bond as under clause 16 thereof.
- 28.2.2 The supplier fails otherwise to perform, fulfill or comply with terms, conditions, regulations and requirements of the contract/purchase order to carry out the work in accordance with the provisions thereof or abandons the shipment.
- 28.2.3 The supplier becomes bankrupt or insolvent or makes an assignment for the benefit of its creditors.
- 28.2.4 One or more consignments of material delayed by a period of more than three months or non-supplied.
- 28.2.5 Rejection of manufacturing items as a result of observation by inspection team

28.2.6 Penalty on higher rejection rate of supplied goods.

28.3 The supplier shall have the right to terminate the contract/purchase order if:-

- 28.3.1 The Company fails to establish the "letter of credit" within the stipulated period as required.
- 28.3.2 The Company becomes bankrupt or insolvent or makes an assignment for the benefit of its creditors.
- 28.3.3 The Company is in default and breach of its obligation and liabilities under the contract/purchase order.

**29. Resolution of dispute:**

The Company and the supplier shall make every effort to resolve the disagreement or dispute arising between them amicably by direct discussion under or in connection with the purchase order/contract.

**30. Applicable Law:**

The purchase order/contract shall be governed by and interpreted in accordance with the laws of the Islamic Republic of Pakistan.

**31. Declaration/Integrity Pact/Certification:**

- 31.1 Successful supplier shall furnish the declaration (specimen attached at Annexure-C) within 10 days after issuance of purchase order/contract if the order/contract value becomes Rs:10 million or above.
- 31.2 In case of F.O.B/C&F Purchase order/contract, the Principal as well as "local agent" both will sign the "integrity pact" as required under this clause.
- 31.3 Bidders to submit a certificate on Rs.10/- non-judicial stamp paper certifying that they are not black listed by the Government/Autonomous bodies and declared as defaulted supplier.

**32. Arbitration/resolution of disputes:**

- 32.1 Any difference or dispute arising out of or in connection with the contract between the Company and the supplier which can not be amicably resolved shall be referred to arbitration in Karachi, Pakistan, to two arbitrators, one appointed by each party of such difference/ dispute. In case the judgment of the said Arbitrator being at variance, the matter shall be referred to an "umpire", who shall be appointed by both the side Arbitrators. The umpire shall be retired judge of a High Court or the Supreme Court of Pakistan. Such arbitrators and umpire shall together proceed to adjudicate the disputes in accordance with the Arbitration Act, 1940, as amended from time to time.
- 32.2 Prior to exercising any right by the Company or supplier to terminate the purchase order/ contract under the conditions stipulated above, a return notice shall be required to be given to the other party specifying such default(s) and calling for submission of an explanation within seven (7) days of receipt of such notice. If such explanation is not furnished within the stipulated time or if so furnished, is found to be unsatisfactory, and the default(s) continues, the purchase order/contract be terminated with notice to other party.
- 32.3 The agreement shall be governed by Law of Islamic Republic of Pakistan and the arbitration language shall be English.
- 32.4 During the course of arbitration, the supplier shall not suspend the performance of his responsibilities and obligations under the contract unless authorized by the Company in writing to do so.
- 32.5 In addition to the remedies as stated above, there is a "grievance committee" formed by the Company which can be approached by supplier in case of non-settlement of issues at any stage if supplier feels that settlement is not insight or not justified.

**33. Redressal of grievances by the procuring agency:-**

- 33.1 Grievance Committee is in place to address the complaints of bidders that may occur prior to entry into the procurement contract.
- 33.2 Aggrieved bidder may lodge a written complaint concerning his grievances not later than fifteen days after the announcement of the bid evaluation report.
- 33.3 Bidder is to submit complaint on letter head duly signed by the authorized person. Tender reference, details / nature of complaint, complainant active telephone, cell, postal address, email

address must necessarily be provided. Incomplete / anonymous complaints will not be responded at all.

33.4 The Committee shall investigate and decide upon the complaint within fifteen days of the receipt of the complaint

33.5 Mere fact of lodging of a complaint shall not warrant suspension of the procurement process.

**34. Blacklisting of Suppliers and Contractors:**

The Company shall permanently blacklist or temporarily debar (at least for 6-months from participating in SSGC's tender proceedings) if, a supplier or contractor who either constantly fails to perform satisfactorily performance or found to be indulged in corrupt and fraudulent practices as defined below:

34.1 Corrupt and fraudulent practices" includes the offering, giving, receiving, or soliciting of anything of value to influence the action of an official/Company.

34.2 If a supplier/contractor found responsible for the detriment of the Company during proceedings of procurement/contract, process or its execution.

34.3 Misrepresentation of facts in order to influence the procurement process or the execution of the purchase order/contract.

34.4 Collusive practices among bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Company of the benefits of free and open competition.

**35. Supplier's Guarantee and Responsibilities:**

The Bidder/Supplier shall guarantee that the materials supplied against this tender enquiry is new and is of acceptable quality and has been used and approved on similar jobs. The validity and scope of such guarantee will be in accordance with conditions stated in this document. In case the opinion of the Company the Goods fail to perform the services in accordance with the specifications specified in Section IV due to manufacturing defects/defective material and/or workmanship, the Supplier shall replace, repair or reconstruct such Goods at his own cost in Pakistan wherever the Goods shall be located so that such Goods shall be restored to such condition that it shall perform in satisfactory operating condition or to replace it with new Goods at Supplier's cost so that the goods shall perform in accordance with the specifications and details as set forth in the Contract/tender documents. If the Supplier shall fail to do so after expiry of 15 days notice to this effect served on him by the Company, the Company shall be at liberty to repair, replace and/or reconstruct the goods at its costs provided in the event, the Company shall be entitled to recover total cost of such replacement from the Supplier withdrawing from the Performance Guarantee.

**36. Language:**

The bid prepared by the bidder and all correspondence and documents relating to the bid exchanged by the bidder and the Company shall be written in English language. Any printed literature furnished by the bidder may be written in another language provided that this literature is accompanied by an English translation in which case for purpose of interpretation of the bid, English translation shall govern.

**37. Vehicle Applied by Authorized dealer of local manufacturer :**

In case of vehicle supplied by authorized dealer of local manufacturer, the authorized dealer will be responsible to get the vehicle (s) registered through Excise Department Government of Sindh and provide Original Registration book / Original Registration Invoice / Tax payment receipt / other related documents & provide the vehicle (s) number plate (s) to SSGC. Registration fee will be reimbursed by SSGC subject to submission of Government of Sindh Excise Department receipt.

**Additional Terms for Tenders on F.O.B.JC&F basis:****1. Submission of bids:**

- 1.1 Bid bond (Earnest money) @ 2% of the total F.O.B value as per clause 9, of section 1 of "General terms & conditions" is required to be submitted with the bid. It may be noted that bids without bid bond will be rejected and returned to bidder.
- 1.2 In case the bidder is manufacturer the bid shall either be completely prepared by the foreign bidder including signing and stamping of all documents. In case, such documents are being signed by the local agent of the bidder, the bid shall essentially include supplier's original Performa invoice and an original authority letter in favor of local agent to sign the documents on their behalf. The bid is liable for rejection if these conditions are not met.
- 1.3 In case of Bidder offering to supply goods which the bidder did not manufacture or otherwise produce, the bidder shall be duly authorized by the goods manufacturer or the producer to submit bid or supply the goods on their behalf.
- 1.4 Bids shall be submitted (preferably through local agents) in two copies, (original + copy).
- 1.5 The price on unit FOB and C&F basis is to be quoted separately. Following are to be essentially indicated in the bid form:
  - 1.5.1 Country of origin.
  - 1.5.2 Port of shipment.
  - 1.5.3 Estimated gross/net weight or dimension & volume of offered item and estimated weight of each item.
  - 1.5.4 Delivery period or schedule in case of bulk quantities.
  - 1.5.5 Original technical literature.
  - 1.5.6 Beneficiary's complete address.

1.6 Foreign bank charges and L/C confirmation charges will be borne by the supplier.

**1.7 Bid Currency:**

The rates shall be quoted in bidder's home country or in United States Dollars. A bidder expecting to incur a portion of its expenditures in the performance of the contract in more than one currency and wishing to be paid accordingly shall indicate the same in their bid. However, bidder from Pakistan would be paid in Pak Rupee.

(Clause 1.5 of General Terms & Conditions is not applicable)

**2. Bid bond:**

- 2.1 Bid bond shall be equivalent to two percent (2%) of the total F.O.B value, in favor of Sui Southern Gas Company Limited and shall be in the form of pay order, demand draft, call receipt or a bank guarantee (specimen attached at Annexure-A), issued by a scheduled bank in Pakistan. The bid bond shall remain valid for 120 days (150 days in case of Single Stage Two Envelope bidding procedure) unless specified otherwise. The bid bond shall be returned/refunded to the un-successful bidder while the bid bond of the successful bidder shall be retained, till submission of Performance bond. Bids without bid bond will not be considered. In case the order value is less than US\$25,000 the bid bond in lieu of performance bond, will be retained till fulfillment of obligations by the supplier. However, in either case the bidder is responsible to arrange the extension of bid bond validity as per requirement. If bid bond submitted by the supplier is more than 2% of ordered value, it may be replaced with appropriate value. Bid bonds of non-compliant bidders may be released during evaluation process. The bid bond shall be denominated in the currency of the bid or any other freely convertible currency.

- 2.2 Bid submitted on behalf of different principals shall be required to submit separate bid bond along with the bid for each offer.

(Note as mentioned at Clause 9, 9.1 & 9.2 of General Terms & Conditions shall also apply).

**3. Conversion to single currency:**

In order to carry out evaluation and comparison, the Company will convert all bid prices expressed in various currencies to Pak Rupees at the buying exchange rates established by the State Bank of Pakistan or any other commercial bank in Pakistan for similar transactions on the date of opening of bids. In case of Two Envelope Bidding System, the exchange rates prevailing at the time of opening of Technical Proposals will be used for conversion and evaluation.

## 4. Evaluation Criteria:

- 4.1 The evaluation of bids will be carried out on C&F / landed cost basis, however purchase order will be placed on FOB price on freight to collect basis. The bidders are required to submit best freight charges obtained by them from Pakistan National Shipping Corporation (PNSC) in order to have a uniform basis to arrive at C&F cost. Bill of lading to indicate "freight payable by the consignee at destination" in local currency. Foreign currency exchange rate (selling) will be considered as of bid "opening date".
- 4.2 In the case of goods to be offered from outside Pakistan, custom duties and other similar import taxes which are applicable shall be added to the bid.
- 4.3 In case shipment by air it shall be arranged through Company's airfreight forwarder (s) or their nominated agent, "on freight to collect basis".

(Clause No. 13 to 14.4 of General Terms & Conditions are also to be applicable).

## 5. Loading of Bids:

Freight charges from port of loading up to Karachi port or unit C&F value must be indicated in bid form, failing, which bid will be loaded by 5 to 10% freight charges. Bid will be declared non-compliant if loading results an extensive increase in price of material.

(Clause 15 of General Terms & Conditions is also applicable).

## 6. Performance bond:

- 6.1 In case purchase order value is US\$25,000/- or above or equivalent for other currencies, letter of intent will be issued to successful bidders for submission of performance bond guarantee which is to be submitted within 15 days from receipt of L.O.I. The successful bidders shall submit a performance bank guarantee (P.B.G) in the form of bank guarantee (specimen attached at Annexure-B) issued by a scheduled bank in Pakistan, for an amount equivalent to 10% of the total value of the purchase order or as specified, in the letter of intent. The performance bond unless specified otherwise, shall remain valid till:

- 6.1.1 Completion of final satisfactory delivery in case of consumable items.
- 6.1.2 12-18 months from the date of satisfactory delivery of the equipment/machinery.
- 6.1.3 Satisfactory delivery/installation of system in case the installation liabilities will be on supplier's part.
- 6.1.4 120 days in case of chemicals.

- 6.2 The Letter of Credit shall be operative upon receipt of Performance Bond (as specified in para 6.1) and integrity pact, any delay due to late submission of Performance Bond will be on supplier's account. Late submission of PBG should not affect the delivery schedule.

- 6.3 The performance bond shall be denominated in foreign currency or in currency of the contract/purchase order or in a freely convertible currency acceptable to the Company and shall be in the form of a bank guarantee.

- 6.4 In very special case subject to approval of the management, the P.B.G could be acceptable in Pak Rupee. However, an undertaking should be given by the supplier that in case of encashment of P.B.G supplier shall deposit short fall amount due to Pak Rupee exchange rate.

## 6.5 Warranty/Guarantee:

In case where performance guarantee is not applicable, the supplier shall warrant that all goods supplied under the contract/purchase order are new, unused, of the most recent or current models and all recent improvements in design and goods have been incorporated, unless provided otherwise in the contract/purchase order. This guarantee shall remain valid for a period of twelve to eighteen months after the goods have been delivered or commissioned.

(Clause 16.2 to 16.8 of General Terms & Conditions are also applicable).

## 7. Delivery:

- 7.1 In case of "FOB" order/contract, shipment(s) shall be effected per vessel of Pakistan National Shipping Corporation (PNSC) owned or chartered vessels on "freight to collect" basis. Bill of lading to indicate "freight payable by the consignee at destination". In case goods ready for shipment and the PNSC vessel is

not available at port of loading, supplier shall intimate the same to Company immediately so that matter could be taken with PNSC in Pakistan.

**7.2 In case of C&F order/contract, the supplier hereby guarantees/ensure:**

- 7.2.1 To use clean and dry vessel suitable for marine transportation and shall not use tramp vessels.
- 7.2.2 The goods/material will be shipped/dispatched with all care and diligence at their risk & cost and goods to be stored below deck. Accordingly, the supplier shall be responsible for all damages/losses during inland and marine transportation from the supplier's plant until arrival at Karachi port.
- 7.2.3 To provide as part of its work all services and functions related to handling, loading, unloading, lashing and securing in ship's holds and all costs, charges and expenses of which shall be included in the purchase order/contract price, unless otherwise specified.

**7.3 In case of FOB order/contract, the supplier's obligations shall be over after the goods have crossed the ship's rails. The co-ordination, scheduling and lining-up for a PNSC vessel shall be the obligation of the supplier.**

**7.4 The supplier shall reimburse the Company all additional duties, taxes and other such charges paid by the Company on account of short shipment by the supplier for all items subsequently shipped on a no-charge basis or otherwise by the supplier. The supplier shall also reimburse the Company all additional duties, taxes and other such charges paid by the Company on account of incorrect invoicing by the supplier.**

**7.5 Shipment shall be deemed to have been made when the supplier has shipped the goods against a clean bill of lading and all other such documentation, as specified in clause 9.3 & 9.4 appearing next in sequence) have been furnished to the Company.**

**7.6 The supplier shall ensure that all above mentioned acts and other incidental and ancillary functions are conducted in accordance with sound and acceptable engineering practices. The Company shall be entitled to oppose any incorrect or inadequate practice adopted by supplier in this respect and the supplier shall take corrective action/measure forthwith to correct such omissions. If any goods are discovered to be damaged or unacceptable at the point of loading, the supplier shall be responsible for replacement free of all charges and costs to the Company within the delivery period specified in the purchase order/contract.**

**8. Insurance:**

**8.1 All goods supplied under the purchase order/contract shall be fully insured in a freely convertible currency against loss or damage incidental to manufacture or acquisition, transportation, storage and delivery in the manner specified in delivery clause 7.**

**8.2 Marine Insurance shall be the responsibility of the Company unless otherwise specified.**

**8.3 The supplier shall advise the Company by fax at least seven (7) days prior to the expected date of shipment, the following particulars:-**

- 8.3.1 Name of the vessel and of the shipping company.
- 8.3.2 Age of the vessel (which should be less than 20 years).
- 8.3.3 Lloyds 100A1 or equivalent classification of the vessel.
- 8.3.4 ETD from Port of dispatch and ETA at Karachi
- 8.3.5 FOB/C&F value of the consignment.

The above information shall also be transmitted to the Company's underwriters, M/s National Insurance Corporation by fax No. 0092-21-9202779 and to the Company referring Policy No. NIK/002/73.

**9. Payment:**

**9.1 Payment of FOB/C&F prices shall be made in the currency of bid through an irrevocable letter of credit (L/C) established in favor of the supplier, negotiable through the bank of their choice. Bidder shall indicate full name and address of the negotiating bank and the place at which they wish to negotiate the letter of credit. All bank charges outside Pakistan will be on supplier's account and all bank charges within Pakistan will be at Company's account. If confirmed letter of credit is required then charges for confirmation will be on supplier's account.**

**9.2 The supplier's request (s) for payment shall be made to the Company in writing as follows:**

**9.2.1 It shall be accompanied by an invoice describing, as appropriate, the goods delivered and the services incurred and by shipping documents submitted pursuant to Clause 9.4 hereof and upon fulfillment of other obligations stipulated in purchase order/contract.**

**9.2.2 Against shipping documents on arrival of ordered material at consignee destination. Bidder (s) will have to clearly mention, if they wish to opt for this mode of payment**

**9.3 The letter of credit shall be available upon presenting the following documents to the negotiating bank within 15 days of the date of the bill of lading covering shipment of each consignment:**

SSGC

- 9.3.1- Invoice ----- 4 copies  
9.3.2- Packing list ----- 4 copies

recourse, question or reference to the Bidder or any other person in the event of withdrawal of the aforesaid  
bid by the Bidder before the end of the period specified in the bid after the opening of the  
same for the validity thereof or if no such period to be specified within 90 days (150 days in case of Single Stage Two  
Envelope bidding procedure) after said opening and or in the event that the Bidder shall within the period  
specified therefore or if no period specified within 15 days after the prescribed forms are presented to the  
Bidder for signature the Bidder shall fail to execute such further contractual documents if any, as may be  
required by the terms of the bid as accepted or on the Bidder failure to give the requisite Performance Bond as  
may be required for the fulfillment of resulting contract.

To accept written intimation (s) from you as conclusive and sufficient evidence of the existence of a default  
of non-compliance as aforesaid on the part of Bidder and to make payment accordingly within 15 days of the  
receipt of the written intimation.

No grant of time or other indulgence to, or composition or arrangement with the Bidder in respect of the  
aforesaid Bid with or without notice to us shall in any manner, discharge or otherwise, however, effect this  
Guarantee and our liabilities & commitments hereunder.

This Guarantee shall be binding on us and our successors in interest and shall be irrevocable.

Ours faithfully,

## (Format of Declaration)

General Manager (Procurement)  
Sui Southern Gas Company Limited,  
ST. 4/B, Block-14, Gulshan-e-Iqbal,  
Sir Shah Suleman Road, Karachi.  
Dear Sir,

**Declaration**

(the Seller/Supplier) hereby declares its intention not to obtain or induce the procurement of any contract, right, interest, privilege or other obligation or benefit from Sui Southern Gas Company Limited or any administrative subdivision or agency thereof of any other entity owned or controlled by it (SSGC) through any corrupt business practice.

Without limiting the generality of the foregoing, (the Seller/Supplier) represents and warrants that it has fully declared the brokerage, commission fees etc. paid or payable to anyone and not given or agreed to give and shall not to give or agree to give to anyone within or outside Pakistan either directly or indirectly through any natural or juridical person, including its affiliate, agent, associate, broker, consultant, director, promoter, shareholder, sponsor or subsidiary, any commission, gratification, bribe, finder's fee or kickback, whether described as consultation fee or otherwise, with the object of obtaining or inducing the procurement of a contract, right, interest, privilege or other obligation or benefit in whatsoever form from SSGC, except that which has been expressly declared pursuant hereto.

(The Seller/Supplier) certifies that it has made and will make full disclosure of all agreements and arrangements with all persons in respect of or related to the transaction with SSGC and has not taken any action or will not take any action in circumvent the above declaration, representation or warranty.

(The Seller/Supplier) accepts full responsibility and strict liability for making any false declaration, not making full disclosure, misrepresenting facts or taking any action likely to defeat the purpose of this declaration, representation or warranty. It agrees that any contract, right, interest, privilege or other obligation or benefit obtained or procured as aforesaid shall, without prejudice to any other rights and remedies available to SSGC under any law, contract or other instrument, be voidable at the option of SSGC.

Notwithstanding any rights and remedies exercised by SSGC in this regard, (The Seller/Supplier) agree to indemnify SSGC for any loss or damage incurred by it on account of its corrupt business practices and further pay compensation to SSGC in an amount equivalent to ten times the sum of any commission, gratification, bribe, finder's fee or kickback given by (The Seller/Supplier) as aforesaid for the purpose of obtaining or inducing the procurement of any contract, right, interest, privilege or other obligation or benefit in whatsoever form from SSGC.

Yours faithfully,

Signature & Stamp (The seller/supplier)

Note:

1. The above declaration is required to be submitted by the Successful Bidder after issuance of Purchase Order (PO) or Letter of Intent (LOI) on Bidder's letter head, for purchase order / letter of intent of a total value of Rs. 10,000,000/- (Ten million) or above.
2. Please note that submitting the declaration is a mandatory requirement.

Tender Enquiry No. SSGC/FP/\_\_\_\_\_

**Special Conditions of Tender Document**

**Note:** In case of any conflict between Special Conditions of Tender Document and any other terms & conditions, the Special Conditions of Tender Document will govern / prevail.

**1. Warranty / Guarantee Coverage**

- i) The successful bidder / supplier guarantee that the goods supplied against above tender enquiry are in all respect in accordance with the tender specifications & Purchase Order and that material used are in accordance with the latest approved standards and are of good workmanship / quality. Any item or part of item if found to be substandard or not meeting the specified criteria as per pre-shipment / post shipment inspection report, than in such as event the Supplier / Bidder hereby warrants and undertake to replace the same on Duty Delivery Paid (DDP) basis (INCOTERMS 2010) i.e. free of all cost including but not limited to transportation, taxes and levies. In case successful bidder / supplier failure to replace the defective item / remove the defect(s) free of cost within the period specified by the Purchaser, the successful bidder / supplier will refund the relevant cost including all other expenses incurred by the purchaser in this regard.
- ii) The successful bidder / supplier must confirm that the warranty for no-consumable items will remain valid for 18 months and for consumable items (i.e. Chemical, Battery etc.) will remain valid for 6 Months after the goods have been successfully delivered or commissioned.
- iii) It is mandatory that the successful bidder / supplier will submit the attached undertaking at Annexure-II, duly filled, signed & stamped.
- iv) In case where performance bank guarantee is not applicable, the supplier shall confirm that all supplied goods under the contract / purchase order are new, unused, of most recent or current models and incorporate all recent improvements in design and goods, unless and otherwise provided in the contract / purchase order.
- v) The Warranty Undertaking being provided by the local agent of the successful bidder (Principal) is required to be submitted at least on Rs.200/- or judicial Stamp paper and should be duly notarized / attested. In the event when this Warranty Undertaking is being submitted by the principal who is overseas resident in that case the same would required to be notarized by the notary public and duly attested by the Pakistan Embassy or High Commission in that particular jurisdiction. Needless, to mention that in both cases the Warranty Undertaking will be executed by the duly authorized representative of the local agent or the principal, as the case may be.

**2. Bid Security:**

- a) Bid bond submission (2%) of the bid amount as mentioned in the clause 1.1 & 2 of Additional Terms for tender on F.O.B/C&F basis & 9 of General Terms & Conditions, to be treated as null & void, however, other contents of clause 1.1 & 2 of Additional Terms for tender on F.O.B/C&F basis & 9 of General Terms & Conditions will remain unchanged. The submission of fixed amount of bid security is appearing in the Price Schedule/BoQ.
- b) All the bidders are advised to furnish fixed bid security (Original Instrument) as per amount in Pak Rs. Or US\$ appearing in price schedule/BOQ failing which their bid will be rejected.
- c) In case the bidder submit bid in the currency other than Pak Rs. Or US \$ their bid bond shall be equivalent after the conversion to the amount of fixed bid bond given in Pak Rs. Or US\$ as mentioned in Price Schedule/BOQ. The exchange rate (issued by the Treasury Management Group of the National Bank of Pakistan or the State Bank of Pakistan selling rate) prevailing at the time of bid opening will be applicable.
- d) The submission of fixed amount of bid security is also mandatory for all the bids valuing Rs.500,000/- or less.
- e) The word lowest bidder or the lowest evaluated bid has been substituted to read as **most advantageous bid**.
- f) Sub-clause 9.2 of the General Terms & Conditions to be treated as null & void however, other contents of clause 9 will remain unchanged.

**3- Method For Submission of Bid Bond(Under Single Stage Two Envelope Bidding Procedure):**

In case of Single Stage Two Envelope Tenders the fixed bid bond as per clause#09 of General Terms & Conditions and Clause# 02 of Additional Terms for tenders on FOB/ C&F basis to be placed in the Technical Proposal. However, if the bid bond is placed in the Financial proposal will also be considered. Without submission of bid bond(either in Technical proposal or Financial proposal) the bid will be rejected.

**4. Bid Validity:**

All offers shall remain valid up to 120 days from the date of opening of bids and bid bond shall remain valid for 150 days.

**5. Evaluation Criteria and Comparison of Bids**

In accordance with SRO 827 (1) / 2001 bidders tendering for Engineering goods produced in Pakistan and those Engineering goods specified in CGO-11 and amendments thereof by the Central Board of Revenue or Engineering Development Board. The successful bidder shall be accorded a Price preference in rupees up to a specific percentage (in proportion to the value addition) of the lowest quoted landed cost of an item of foreign origin with similar specifications as mentioned in the tenders

i) Provided that:-

- (a) The saving in foreign exchange is not less than the amount of price preference;

- (b) It is ensured that, in each case of such preference, the total import requirements for producing the supplies tendered for locally manufactured items has been duly indicated by the bidders.
- ii) Price preference shall be allowed as under:-
- (a) Having minimum of twenty percent value addition through indigenous manufacturing, price preference shall be fifteen percent;
- (b) Having over twenty percent and up to thirty percent value addition through indigenous manufacturing, price preference shall be twenty percent, and
- (c) Having over thirty percent value addition through indigenous manufacturing, price preference shall be twenty five percent.
- iii) For the above purpose, we will require a complete breakdown of ex-factory price for goods manufactured in Pakistan. Any offer not accompanied with this cost breakdown will not be allowed to receive the above price preference.
- iv) Benefit of SRO 827 (1)/2001 shall be accorded to only those local manufacturers who are engaged in the manufacturing of goods specified in CGO - 11 of 2007 or its latest version or as certified by the EDB.
- However in case of offer on FOB basis, the landed cost to be determined in accordance with the following criteria be taken for evaluation in case of International bidders, and shall be taken for the purpose of comparison with the price quoted by local manufacturers, who shall also be accorded the price preference in terms of SRO 827 (1)/2001. **The landed cost determined in accordance with the afore said criteria shall be taken for bid evaluation in case of international bidders, and shall be taken for the purpose of comparison with the price quoted by the local manufacturers. Example of landed cost for evaluation of the international bidders is given here under:**

#### EXAMPLE

S. No.	Cost Components for computing landing cost of imported Engineering goods in terms of S.R.O 827 (1)/2001 in Pak Rupees.
i.	FOB Value.
ii.	Sea Freight (Actual quoted by the bidder on the basis of PNSC rates, which shall be announced by the bidder at the time of opening of the bids).
iii.	C&F value (i + ii). (CFR value).
iv.	Insurance @ 1% of C&F Value given at iii above.
v.	CIF value (iii + iv).
vi.	Handling Charges @ 1 % of CIF Value given at v above.
vii.	Import Value (v + vi) for the purpose of levying Customs Duty.
viii.	Customs Duty at applicable rate, which shall be calculated on the import value given at vii above.
ix.	Duty Paid Value.
x.	Sales Tax at applicable rate, which shall be calculated on the duty paid value given at ix above.
xi.	Duty & Sales Tax paid value (ix + x).
xii.	Withholding Tax at applicable rate, which shall be calculated on duty and sales tax paid value given at xi above.
xiii.	LC Charge @ 0.25% of FOB Value given at i above.
xiv.	Clearing Charges @ 0.25% of C&F Value given at iii above.
xv.	SED at applicable rate, Which shall be calculated on the import value given at vii above to be taken as nil as it stands withdrawn.
xvi.	Provincial Infrastructure Cess (at applicable rate) on %age of import value given at vii
xvii.	KPT Wharfage @ Rs.140 per cubic meter or the prevailing rate.
xviii.	Cranage Loading & Other Charges @ 0.25% of C&F Value given at iii above.
xix.	Inland Transportation Charges from Port to Coating Factory (From Port of final destination in case of products other than pipes, where coating is not required).
xx.	Cost of imported engineering goods (xi to xix).
xxi.	LESS: Handling Charges taken at Sr. No. vi (Notional Value taken for calculating assessed value for purpose of calculating custom duty, sales tax and withholding tax by the customs authority).
xxii.	LESS: Sales tax taken at x above. (Adjustable as output tax).
xxiii.	LESS: With Holding Tax. (Adjustable against final assessed tax).
xxiv.	Total deductions (xxi + xxii + xxiii)
xxv.	Net cost of imported engineering goods (xx minus xxiv)

- v) Foreign bidders are essentially required to submit letter of PNSC for ocean freight transportation rate for break bulk/hedges from their local agent.
- vi) Please indicate approximate shipping specification, i.e. weight and measurements of the packages/bundles and also total gross weight (in terms of metric tons), and total gross volume (in terms of cubic meters) of each consignment separately.
- vii) For evaluation of bids customs duty, taxes and all other charges prevailing on the date of public opening of bids will be used, where applicable.
- viii) For the purpose of price comparison and evaluation of bids, financial charges will also be added to arrive at a landed cost, which will inter-alia include, mark up and L/C opening charges etc.
- ix) If the local manufacturer becomes the lowest evaluated bidder after Price Preference, order will be placed at the price (landed Cost) quoted by the lowest evaluated international bidder. In case the local bidder does not accede to the request of SSGCL for best negotiated rates at par with those received from International bidder for particular item(s) then, the order will be placed on the lowest evaluated international bidder.

- x) "Price Preference" shall not be in "Value Terms" it should only be for the sake of reference for comparison purposes (local & foreign bids).
- xi) Bank details shall be mentioned by the bidders for the purpose of opening LC/ Payment.
6. **Declaration / Integrity Pact / Certification:**  
it is required to be submitted by the Successful Bidder on their letter heads after issuance of Purchase Order (PO) or Letter of intent (LOI) for the value of Rs.10,000,000/- (Ten Million) or above in case of local bidder and US\$ 100,000 & above in case of foreign bidder.  
Submission the declaration as at ANNEXURE-C is a mandatory requirement for successful bidder.
7. **Third Party Pre-Shipment Inspection Criteria / Scope of Work as given in the Tender Documents will be followed at the time of Third Party Inspection, which will be carried out by SSGC nominated Third Party Inspection Firm in case the order value exceeds US\$100,000 except screwed pipe fitting tenders.**
8. ***"The successful Bidder shall provide the revenue stamps and copy of challan, of value at the rate of twenty Five (25) paisa per every Hundred Rupees or part thereof of the amount of the purchase order, or at the prevailing rate as specified by the Government of Province of Sindh." Further as per Government of Sindh Board of Revenue notification NO.CIS/SWB/BOR/R&T-17/2022-808 dated 08-06-2022 all judicial and non-judicial stamp paper of the denomination of rupee five hundred and above shall be exclusively on e-stamp.***
9. ***Bank Guarantee (Bid Bond Guarantee/Performance Bank Guarantee) will be made on Non-Judicial stamp paper at the prevailing rate as specified by the respective Provinces. Further the bidder/contractor submitting the Bid Bond guarantee/Performance Bond guarantee being prepared by the State Bank's schedule banks should ensure that there should be no deletion/insertion/alteration/modification of any terms in the Bid Bond/PBG guarantee format as given in the tender document or else bid will be liable for rejection.***
10. ***"Original counter slip of token which is issued with original tender document to be attached on the TOP of envelope at the time of bid submission."***
11. **Cancellation of Purchase Order**  
In case the supplier fails to deliver the material within the specified delivery schedule as given in Purchase order (P.O.) and maximum upto 120 days after the expiry of the specified delivery schedule as per Purchase Order, the Purchase Order will be treated automatically as cancelled at supplier's sole risk & cost. However, for the sake of clarity liquidated damages (Clause-27 of General Terms Conditions) and Default by Supplier (Clause-28 of General Terms Conditions) will be treated as given in the General Terms & Conditions of the tender documents.
12. **Correct Postal Address**  
Bidders are essentially required to provide correct and latest postal, e-mail & web addresses, phone/cell/fax numbers at the time of purchase of tender documents for effective and timely communication, failing which in event of any non-delivery of information / communication the procuring agency will be considered as non-responsive.
13. In case the local agent requires to offer bid from more than one principal / Manufacturer, it is mandatory to purchase separate tender document for each principal / Manufacturer, failing which the bid submitted with the original tender document will only be accepted and the bid with photocopy of tender document will be rejected.
14. **Blacklisting Mechanism of Suppliers and Contractors and their Local Agent:**  
*Black listing mechanism is attached separately in the tender documents which will become an integral part of Tender Documents and now be followed / enforced in true letter & spirit and supersede the Black listing terms as mentioned in the General Terms & Conditions.*
15. ***The Successful Contractor(s) / Supplier(s) / Consultant(s) shall submit a copy of Professional Tax Certificate with their Invoices / Bills failing which the payment will not be released.***
16. **Authentications of Performa Invoice / Authority Letter and other documents by the Principal / Manufacturer:**  
The Authentication of Authority Letter and Performa Invoice will be obtained from the principal / Manufacturer as and when required. If the authentication not received within the stipulated time frame the bid will be liable for rejection and the Bid Bond / Earnest Money will be encashed.
17. **Bid Bond & PBG (Performance Bank Guarantee) for Proprietary Tenders**  
*In case of proprietary Tenders, the Bid Bond & Performance Bank Guarantee (PBG) are not required / Applicable.*
18. ***Any Bidder who change / amend the BOQ / Price Schedule (description / Bid Form, Quantity, UOM etc.) will render the bid as conditional bid and will be liable for rejection.***
19. ***Delivery Schedule will commence after the opening of Letter of Credit (LC). In case the bidder does not submit the performance bond as specified, the delivery time of goods shall be deemed to have commenced 10 days (15 days in case of import) from the issuance of letter of intent / purchase order. The proceeds of the performance bond shall be payable to the Company as compensation for any loss resulting from the supplier's failure to complete its work under the purchase order / contract.***
20. In the event of release of Performance Bank Gurante (PBG) after its encashment, the amount of the PBG to be released will be converted in Pak Rupees at the exchange rate prevailing at the time of encashment. The amount so converted will be released in Pak Rupee (PKR) to the foreign bidder or to their local agent duly authorized by the foreign principal.
21. SSGC will not pay invoices if they are turned in after 6 months of work completion / material delivered.
22. ***As per FBR Regulations Ref# C.No.4 (24) IT- Budget/2021-142150-R, Dated: 23<sup>rd</sup> September, 2021 to make the payment online. Therefore, all the local manufacturers are required to provide their only one Bank account number (IBAN number)***

on the 'FORM-X' attached duly signed & stamped as one time information, which shall be firm (not changeable) for all the future payment transactions.

23. It is mandatory for the bidders to follow all the terms and conditions given in the tender documents without any addition / deletion / amendment and submit the bid accordingly. Therefore, in this context, the bidders are requested not to give their own terms and conditions as it tantamount towards the conditional bid. Otherwise their terms and conditions will not be considered and the Purchase Order / Contract will be awarded based on only as per SSGC tender terms and conditions.

24. **Payment:**

The supplier after delivery of goods and its acceptance shall submit invoice to Finance Department of the Company, containing following information i.e:

(a) Purchase order No. & date	(b) Items	(c) Quantity	(d) Price	(e) Invoice value
(f) Point of delivery	(g) Delivery challan indicating delivery date, etc.			
(h) Supplier(s) are required to submit signed and stamp acknowledgement slip, Sales Tax return, Annex "C" & Annex "I" (whichever applicable) in which Sales Tax (of relevant Sales Tax invoice) is paid.				

Payment will be made within 30 days of completion of stated requirements.

25. **Joint Ventures:**

In the event that the bidder is bidding as a Joint Venture, the Company will require the joint venture agreement duly executed by the parties to the Joint Venture to be submitted with the bid. The joint venture parties shall also furnish an undertaking to be jointly and severally liable for all liabilities arising out of obligation under the Purchase Order / Contract. The Joint Venture agreement of the parties must specify share of each partner and name of the lead partner along with their registration with the FBR, SST and BST as the case may be. Failure to specify these two narrations the joint venture agreement will not be entertained.

26. In case the insurance policy submitted by the contractor is expired during the execution of job, it is the responsibility of the user department to coordinate with the contractor to get it renewed/updated till the period the job is completed/commissioned.

In case the job is not completed within the given time as per tender terms and the insurance policy submitted by the contractor expires, the contractor is liable to get this insurance policy renewed / updated immediately till the period of the job is completed / commissioned as per tender terms failing which the contractor will be responsible for any loss to SSGC.

27. Bidders can quote their rates on both i.e. Price Schedule as well as Bill of Quantity (BoQ).

28. Company reserve the right to award the Purchase Order /LOI to the most advantageous bidder.

29. As per SRO 592(I)/2022 of PPRA Regulations for Procurement Contracts/Purchase Orders worth of Rs. 50 million and above, bidders/contractors are required to submit the Beneficial Owner's Information for Public Procurement Contracts/Purchase Orders (Annexure-V).

30. In case quoted item(s) falls under SRO No. 604 (see attachment i.e. Solar Power System, PV Module/Cells and allied accessories/parts/spares etc. - then in that case supplier is responsible to fully comply stated SRO and to arrange, provide and bear all associated costs for all necessary test reports, certificates, pre-shipment inspection reports, other documents etc. (as mentioned in SRO). Further, Pre-Shipment Inspection should be from approved companies as mentioned in Appendix H of Import Policy Order (see attachment).

31. **Fixed Bid Security – Alternative Bid**

A bidder cannot submit two bids/offers with a single fixed bid security/pay order. However, the alternative bids/offers with separate fixed bid security/pay order can be accepted, failing which the bids will be liable for rejection. In case the bidder quote different make/brands/model that will also be considered as an Alternative bid/offer and require to submit separate Bid bond for each make/brand/model.

32. Bidder will be blacklisted and henceforth cross debarred for participating in respective category of Public Procurement proceedings for a period of (not more than) six months, if fail to abide with a bid securing declaration (which is an integral part of tender document), however, without indulging in corrupt and fraudulent practices, if in breach of obligation(s) under the Bid conditions:

a) The bidder have withdrawn or modified their bid during the period of bid validity as specified in the tender terms.

b) Having been notified of the acceptance of bid by procuring agency during the period of bid validity (i) failure to sign the contract or accept purchase order (ii) fail or refuse to furnish the performance security or to comply with any other condition as mentioned in the tender document.

33. The term "Call Deposit Receipt" mentioned in clause # 09 (Bid Bond) of General Terms & Conditions and in clause # 02 (Bid Bond) of Additional Terms for Tenders on F.O.B & C&F basis be treated as null & void.

34. Wherever the "Rate Only" is mentioned (either on BOQ or anywhere in tender documents) the same shall only be applicable not exceeding 15% of the original procurement for the same items as given in the BOQ for package basis. In case the requirement is on item wise basis (not package basis) then not exceeding 15% of the original Procurement for the same items (on item wise basis) as given in the BOQ.

35. **Lots:** In case when the tender is floated on LOT basis, following clauses to be applied:

- a) The bidder(s) are essentially / mandatorily required to submit fixed bid bond as mentioned in the bid form/BOQ/Invitation to Bid. Separate fixed bid bond to be submitted against each individual LOT and its validity to be 150 days at the time of opening of technical proposal.
- b) Evaluation for each LOT will be carried out separately. Each LOT will be awarded separately.

36. For open competitive bidding if the most advantageous bidder is new local manufacturer, 10% trial order will be placed and remaining 90% order will be awarded to the next most advantageous bidder at their own quoted rates.

37. Subsequent to the issuance of Purchase Order/LOI, successful bidder has to submit 10% Performance Bank Guarantee of the Purchase Order/LOI value unless & until specified in the Tender Documents. Clause# 16.1.5 mentioned in General Terms & Conditions to be treated as null & void.

38. Where the Pre-shipment inspection is applicable and incase of partial shipment is required by the bidder the cost of the 1<sup>st</sup> Pre-shipment inspection will be borne by SSGC, whereas, cost of the 3<sup>rd</sup> Party inspection for the remaining shipment(s) will be borne by the bidder/manufacturer.

39. Purchase order value mentioned in the clause # 6 of sub-clause # 6.1 (Performance Bond) of Additional Terms for Tenders on FOB/C&F basis (Section-1A) to be read as **US \$ 10,000** instead of US \$ 25000. However, other contents of clause & sub-clauses of 6 (Performance Bond) of Additional Terms for tender on F.O.B/C&F basis will remain unchanged.

40. Redressal of Grievances And Settlement of Disputes:

- Any bidder feeling aggrieved by any act of the procuring agency after the submission of his bid may lodge a written complaint concerning his grievances within seven days of announcement of the technical evaluation report and five days after issuance of final evaluation report.
- In case, the complaint is filed against the technical evaluation report, the GRC shall suspend the procurement proceedings.
- In case, the complaint is filed after the issuance of final evaluation report, the complainant cannot raise any objection on technical evaluation of the report. Provided that the complainant may raise the objection on any part of the final evaluation report in case where single stage single envelope bidding procedure is adopted.

41. The sub clauses 33.2, 33.4 & 33.5 of clause 33 of General Terms & Conditions to be treated as null & void.

42. All the bidders are allowed to participate in the subject procurement without regard to nationality/origin, except bidders of some nationality/origin, prohibited in accordance with policy of the Federal Government. Following countries are ineligible to participate in the procurement process:

- India
- Israel

43. In Open Competitive Bidding Procedure where the quoted price is less than Rs. 100,000/- the Bid Bond will be retained in lieu of PBG.

44. In case the Bid Bond is not required, the bidder must submit the Form of Bid-Securing Declaration attached with the Tender Document else the Bid will be liable for rejection.

45. All Tenders floated through EPADS are to be governed by S.R.O. 296(I)/2023 dated: March 8, 2023 "E-Pak-Procurement Regulations 2023". In case of any conflict between SSGC Tender Terms / Instructions to Bidders and the PPRA EPADS Rules, the S.R.O. 296(I)/2023 will prevail.

## Form of Bid-Securing Declaration

[The Bidder shall fill in this Form in accordance with the instructions indicated.]

Date: [date (as day, month and year)]

No.: [number of Bidding process]

Alternative No.: [insert identification No if this is a Bid for an alternative]

To: [complete name of Procuring Agency]

We, the undersigned, declare that:

We understand that, according to your conditions, Bids must be supported by a Bid-Securing Declaration.

We accept that we will be blacklisted and henceforth cross debarred for participating in respective category of public procurement proceedings for a period of (not more than) six months, if fail to abide with a bid securing declaration, however without indulging in corrupt and fraudulent practices, if we are in breach of our obligation(s) under the Bid conditions, because we:

- (a) have withdrawn our Bid during the period of Bid validity specified in the Letter of Bid; or
- (b) having been notified of the acceptance of our Bid by the Procuring Agency during the period of Bid validity; (i) fail or refuse to sign the Contract; or (ii) fail or refuse to furnish the Performance Security (or guarantee), if required, in accordance with the ITB.

We understand this Bid Securing Declaration shall expire if we are not the successful Bidder, upon the earlier of (i) our receipt of your notification of the name of the successful Bidder; or (ii) twenty-eight days after the expiration of our Bid.

Name of the Bidder: \_\_\_\_\_

Name of the person duly authorized to sign the Bid on behalf of the Bidder: \_\_\_\_\_

Title of the person signing the Bid: \_\_\_\_\_

Signature of the person named above: \_\_\_\_\_

Date signed: \_\_\_\_\_ day of \_\_\_\_\_

\*: In the case of the Bid submitted by joint venture specify the name of the Joint Venture as Bidder

\*\* : Person signing the Bid shall have the power of attorney given by the Bidder attached to the Bid

[Note: In case of a Joint Venture, the Bid-Securing Declaration must be in the name of all members to the Joint Venture that submits the Bid.]

SUI SOUTHERN GAS COMPANY LIMITED  
PROCUREMENT DEPARTMENT

**BLACKLISTING MECHANISM**  
**(REVISION-1)**

**1 BACKGROUND**

In pursuance of Rule-19 of Public Procurement Rules, 2004 read with Rule-2(f) (fa) and the criteria for Blacklisting of Suppliers and Contractors / Consultants doing business with the SSGCs is reiterated hereafter to eliminate unfair trade practices.

**2 SCOPE**

The procedure shall be applicable and remain in force, along with any amendments thereto, within Sui Southern Gas Company Limited ("SSGC") until any clear instructions or guidelines are impacted by the Government through Public Procurement Regulation Authority (PPRA), Pakistan Engineering Council (PEC), or any other competent forum. The procedure shall also be applicable on the pre-qualified firms. The procedure shall be applicable on any "Person(s) / Firm(s)", which for the purposes of this Mechanism shall inter alia include suppliers, bidders, contractors, consultants, firms, individuals, and organizations transacting business with SSGC. Wherever any provision of this Mechanism shall be in conflict with provisions of any applicable guidelines of donor agencies, or any other applicable Statute / Law or Rule enforced at the time in Pakistan, the provisions of such applicable guidelines, laws, or rules shall prevail. This SOP shall become a part of the future Bidding Documents.

**3 DEFINITION OF TERMS**

- 3.1 "Appellate Authority" - Authority to Appeal against issuance of Blacklisting Order.
- 3.2 "Appeal" - Right of firm/individual to lodge protest against the issuance of Blacklisting Order.
- 3.3 "Procuring Agency" - Any department/division/factor/project exercising general and/or administrative control over the unit.
- 3.4 "Blacklisting Order" - An administrative penalty disqualifying a firm/individual from participating in procurement for a given period.
- 3.5 "Suspension" - The administrative penalty imposed for infraction committed during the competitive bidding stage, whereby such firms/individuals are prohibited from further participation in the bidding process of Procuring Agency.
- 3.6 "Contract Implementation" - A process of undertaking a project or contract in accordance with the contract documents.
- 3.7 "Termination of Contract" - Extinction of contract by reason or resolution or rescission under applicable rules/regulations/laws arising from the default of the firms/individuals.
- 3.8 "Delist" - Removal of supplier/contractor from blacklisting.
- 3.9 "PA-Project Authority" - A three-member committee comprising of User, HSE&QA & Procurement Deptt. to address the issue.
- 3.10 RPC-SSG's Rights Protection Committee - To examine the justification of PC.

Dated : 12<sup>th</sup> October 2020  
Revision-1 : Dt: 3 Sept 2024

#### 4. REASONS FOR BLACKLISTING

- 4.1 The following shall comprise the broad multilateral guidelines for blacklisting:
- 4.1.1 "Corrupt Practice" means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the action of a public official in the procurement process or in contract execution;
  - 4.1.2 "Fraudulent Practice" means a misrepresentation or omission of facts in order to influence a procurement process or the execution of a contract;
  - 4.1.3 "Collusive Practice" means a scheme or arrangement between two or more bidders, with or without the knowledge of the Purchaser, designed to establish bid price at artificial, non-competitive levels; and
  - 4.1.4 "Coercive Practice" means harming or threatening to harm, directly or indirectly, Person(s) / Firm(s) or their property to influence their participation in the procurement process or affect the execution of a contract.
- 4.2 In addition to above, blacklisting of firms/individuals may be resorted to when the charges are of serious nature, which include but are not limited to the following:

##### 4.2.1 Competitive Bidding Stage

During the competitive bidding stage, the Procuring Agency shall impose on bidders or prospective bidders the penalty of Suspension from participating in the public bidding process, without prejudice to the imposition of additional administrative sanctions as the internal rules of the agency may provide and/or further criminal prosecution, as provided by applicable law, for violations committed which include but are not limited to the following:

- i. Submission of eligibility requirements containing false information or falsified documents,
- ii. Submission of bids that contain false information or falsified documents, or the concealment of such information in the bids in order to influence the outcome of eligibility screening or any other stage of the public bidding.
- iii. Submission of unauthorized or false documents for pre-qualification/ tendering i.e. without specific authorization from the principals/ manufacturers etc,
- iv. Failure of the firm to provide authentic Warranty Undertaking and Performance Invoice of the manufacturers / Principal / Trading house.
- v. Failure of the firm to submit specific authority letter of the Original Equipment Manufacturer (OEM) for participation in a particular tender;
- vi. Unauthorized use of one's name, or using the name of the name of another for purpose of public bidding.
- vii. Deviations from specifications and terms & conditions of the purchase order/contract.
- viii. Withdrawal of a bid, or refusal to accept an award or refusal to perform the job or enter into contract with the government without justifiable cause, after he had been adjudged as having submitted the Lowest Calculated Responsive Bid or Highest Rated Responsive Bid.
- ix. Refusal or failure to post the required performance security within the prescribed time.
- x. Refusal to clarify or validate in writing its Bid during post qualification within a period of seven (7) working days, or as may be specifically prescribed, from receipt of the request for clarification.

- xi. Any documented unsolicited attempt by a bidder to unduly influence the outcome of the bidding in his favor.
- xii. Any attempt to give illegal gratification to any representative of the purchaser to influence the process of procurement.

In addition to the penalty of suspension, the bid security posted by the concerned bidder or prospective bidder could also be forfeited / encashed.

#### 4.2.2 Purchase Order / Contract Implementation Stage

During the Purchase Order / Contract implementation stage, the procuring entity shall impose on contractors after the termination of the contract the penalty of suspension from participating in the public bidding process, without prejudice to the imposition of additional administrative sanctions as the internal rules of the agency may provide and/or further criminal prosecution, as provided by applicable laws, for violations committed which include but are not limited to the following:

- i. Failure of the contractor, due solely to his fault or negligence, to mobilize and start work or performance within the specified period in the Letter to Proceed.
- ii. Failure by the contractor to fully and faithfully comply with its contractual obligations without valid cause, or failure by the contractor to comply with any written lawful instruction of the Procuring Agency or its representative(s) pursuant to the implementation of the contract. For the procurement of infrastructure projects or consultancy contracts, lawful instructions include but are not limited to the following:
  - a. Employment of competent technical Person(s) / Firm(s)nel, competent engineers and/or work supervisors;
  - b. Provision of warning signs and barricades in accordance with approved plans and specifications and contract provisions;
  - c. Stockpiling in proper places of all materials and removal from the project site of waste and excess materials including broken pavement and excavated debris in accordance with approved plan and specifications and contract provisions;
  - d. Deployment of committed equipment, facilities, support staff and manpower; and
  - e. Renewal of the effectivity dates of the performance security after its expiration during the course of contract implementation.
  - f. Non-Performance of the supplier in respect of tender terms & conditions and the delivery / supply of material.
- iii. Assignment and subcontracting of the contract or any part thereof or substitution of key Person(s) / Firm(s)nel named in the proposal without prior written approval by the Procuring Agency.
- iv. For the procurement of goods, unsatisfactory progress in the delivery of the goods by the manufacturer, supplier or distributor arising from his fault or negligence and/or unsatisfactory or inferior quality of goods, as may be provided in the contract.
- v. For the procurement of consulting services, poor performance by the consultant of his services arising from his fault or negligence, any of the following acts by the consultant shall be construed as poor performance:
  - a. Defective design resulting in substantial corrective works in design and/or construction;
  - b. Failure to deliver critical outputs due to consultant's fault or negligence;
  - c. Specifying materials which are inappropriate, substandard or way above acceptable standards;

- d. Allowing defective workmanship or works by the contractor being supervised by the consultant; and
  - e. Submitting CV's of key Person(s) / Firm(s) in the prequalifying process or bid documents of professionals that are not in actual employment of the bidder.
- vi. For the procurement of infrastructure projects, poor performance by the contractor or unsatisfactory quality and/or progress of works arising from his fault or negligence.
- vii. Willful or deliberate abandonment or non-performance of the project or contract by the contractor resulting to substantial breach thereof without lawful and/or just cause.

In addition to the penalty of suspension, the performance security posted by the contractor could also be forfeited.

4.2.3 In addition to above, other grounds for blacklisting of firms/individuals include but are not limited to the following:

- i. Obtaining fraudulent payments;
- ii. Obtaining contracts by misleading the purchaser;
- iii. Refusal to pay SSGC dues etc.;
- iv. Failure to fulfill contractual obligations;
- v. Changes in the status of firm's ownership/partnership etc. causing dissolution of the firm which existed at the time of inspection / bidding prior to original registration of the firm;
- vi. Registration of a firm with a new name by the Proprietor or family or a nominee thereof of a firm that has been already blacklisted;
- vii. Consequential operational damages caused to SSGC equipment or infrastructure as a result of equipment or parts thereof supplied on trial basis or due to failure of such equipment;
- viii. Contractors who have negotiated Price Bargain under the National Accountability Ordinance 1999, or contractors involved with any other criminal proceedings conducted by any investigation agency where default has been proved specifically in relation to supplies made to or contracts concluded with SSGC.
- ix. Involved in litigation or needless petitioning to influence or obstruct the procurement process either on his own behalf or at the behest of any other vested interest;
- x. A firm may be disqualified for a period extendable to two years in case a decision by a court is awarded against the said firm after litigation, or where the firm is involved in litigation at least three times during two financial years, or where a firm has on account of litigation caused substantial financial losses to SSGC;
- xi. Blacklisted by other Federal and Provincial Government Ministries / Divisions / Departments and organizations / autonomous bodies subordinate thereto; and
- xii. Blacklisting in case of Joint Venture firms will also result in termination of the concerned Joint Ventures Partners.

## 5. SYSTEM OF PENALTIES

For the purpose of uniformity, following system of penalties shall be adopted for procurement of goods, works and services:

- 5.1. Blacklisted and henceforth cross debarred for participation in any public procurement or disposal proceedings for the period of not more than ten years, if corrupt and fraudulent

practice as defined in these rules is established against the bidder or the bidders in pursuance of blacklisting proceedings;

5.2 blacklisted and henceforth cross debarred for participation in respective category of public procurement or disposal proceedings for a period of not more than three years, if the bidder fails to perform his contractual obligations during the execution of contract or breaches the contract due to his capacity and capability to perform or otherwise. However, procuring agency shall initiate such blacklisting or debarment proceedings after exhausting the forum of arbitration, provided that such provision exists in the conditions of contract, and if such failure or breach is covered in the respective dispute settlement clauses of the contract, and

5.3 blacklisted and henceforth cross debarred for participation in respective category of public procurement or disposal proceedings for a period of not more than six months, if the bidder fails to abide with a bid securing declaration, however without being indulged in any corrupt and fraudulent practice.

## 6. SUSPENSION AND BLACKLISTING PROCEDURE

1. The supplier or contractor who is to be blacklisted for a specified period is given adequate opportunity of being heard.
2. The supplier or contractor who is to be blacklisted for a specified period is called for meeting by providing adequate time, so as to give him adequate opportunity of being heard before taking any action.
3. In case the supplier or contractor does not attend the meeting on the given date and time a final notice is served to him to attend the meeting on the revised date and time. Despite the final notice, if the supplier or contractor does not attend the meeting as per schedule, automatically be considered a fault. Action will be taken as per below clauses 5 to 9.
4. A three-member committee will form comprising of User, Procurement and HSE&QA departments to address the issues in the meeting with the supplier or contractor. Members of committee may not below of grade IV.
5. In case the supplier or contractor is found at default based on the fact of the case as well as the tender terms and conditions, and do not justify the grounds of his default as per the tender terms and conditions, the approval is sought from the management for their temporary or permanent blacklisting alongwith encashment of bid bond or PBG as the case may be.
6. The decision of the management is communicated to the defaulted supplier or contractor through a formal letter.
7. A copy of the letter of the defaulted supplier / contractor alongwith covering letter with pertinent documents is / also forwarded to the Authority (PPRA) for uploading on PPRA website.
8. The blacklisting information of the supplier / contractor is uploaded on the websites.

9. Any bidder not satisfied with the decision of the procuring agency, may lodge an appeal in the relevant court of jurisdiction.

10. After coming into force the procurement contracts, the dispute between the parties to the contract shall be settled by arbitration.

## 7. STATUS OF BLACKLISTED FIRM/INDIVIDUAL

Blacklisting of a firm/individual will not affect other ongoing contracts/works/supply orders. However, such blacklisted firm shall stand barred from all future tender processes/participation and Standing Security, if any, could be confiscated until recovery of financial damages ascertained by the authority while issuing Blacklisting Order.

## 8. DELISTING

A temporary blacklisted firm / individual shall be automatically restored after the period for the penalty has elapsed, unless the procuring agency wants to maintain the blacklisted status of firm / individual due to justifiable reasons with the prior approval of Appellate Authority. In the latter case, the temporary blacklisted firm / individual shall be restored.

## 9. AMENDMENTS

9.1 In the implementation of Blacklisting Mechanism, the modifications may be introduced thereto through the amendment of its specific provisions as the need arises.

9.2 Any amendment to this Blacklisting Mechanism shall be applicable to tenders advertised for bid after the effectivity of the said amendment.

## 10. EFFECTIVITY

The Blacklisting Mechanism or any amendments thereto shall take effect immediately and from the date of its issuance. All future tender documents must be governed by these instructions. However, these cannot override the provisions of Public Procurement Rules, 2004.

## 11. The Steps to be Followed are As Under

The causes and reasons to be taken into consideration for Debarment / Blacklisting of any Person(s) / Firm(s) are given as under:

### 1. PRE-AWARD STAGE:

The following shall be considered, inter alia, the events / reasons for initiating proceedings under this Mechanism at the Pre-Award Stage:

- i Indulging in Corrupt: Fraudulent as well as Collusive practices.
- ii Submission of false and spurious documents, making false statements, making frivolous complaints and allegations to gain undue advantage.

- iii Commission of embezzlement, criminal breach of trust, theft, cheating, forgery, bribery, falsification or destruction of records, receiving stolen property, false use of trademark, securing fraudulent registration, giving false evidence, furnishing of false information of serious nature.
- iv Submission of false bid security or infringement of documents to get undue monetary or any other benefit.
- v Breach of confidentiality of evaluation process based on illegal access or in any way to get undue benefit or to provide benefit or to frustrate the bidding/evaluation process. This will also include attempts to sabotage the bidding process directly or indirectly.

## 2. POST- AWARD STAGE:

The following shall be considered, inter alia, the events / reasons for initiating proceedings under this Mechanism at the Post-Award Stage:-

- i. Extraordinary delay in signing or refusal to accept the Notification of Award and/or the contract without any cogent reason.
- ii. Misconduct, i.e., failure to proceed with the signed contract, withdrawal of commitments, quoting an unreasonable and unfairly low financial offer and subsequently withdrawing such an offer, frustrating the evaluation/bidding process and not responding to written communication in a reasonable time.
- iii. Causes mentioned in Sub-Chauses ii and iii above.
- iv. Submission of fake / frivolous or fraudulent Performance Guarantee or Advance Payment Guarantee etc.
- v. Non-satisfactory performance during the execution of the contract / purchase order.
- vi. Non-performance or Breach of provisions / clauses of the contract agreements/tender terms.
- vii. Notwithstanding the warranty/defect liability period, any defect in a product, equipment, plant, facility or services rendered that may subsequently surface during field operations within 5 years of its commissioning.
- viii. Failure to honour obligations within warranty period or defect liability period as defined in the contract.

## 3. OTHER CAUSES :

- i. The Person(s) / Firm(s) is blacklisted by any Government department in Pakistan, or it is established that the firm is involved in any kind of corruption or corrupt practices anywhere in the world.
- ii. Violations of provisions / instructions set down in the Bidding Documents.

- iii. Any attempt / activity to malign or bring SSGC into disrepute and harm its interest(s).
- iv. Person(s) / Firm(s)(s) blacklisted by International Financial Institutions (donor agencies) will be liable to be blacklisted after receipt of confirmation from the donor agencies without any further proceeding.
- v. Any other cause deemed just and appropriate by CPPA in the given circumstances.

Note: (1) If above mentioned causes occur either on part of the principal bidder or the local agent, both shall be considered for blacklisting / debarment.

- (2) The authorization of the foreign bidder to local agent shall contain his complete particulars including the name of the company, name of the owner, National Tax number (NTN), CNIC (Computerized National Identity Card) No. etc. In case, the said information is found to be missing, even after calling for the same within a reasonable time, the authority letter shall not be accepted.
- (3) The Bidding Documents shall be issued against original authority letter or in case of scanned copy, the original of the foreign bidder shall be enclosed. However, at the time of bidding, the original authority letter shall be attached with the bid. In the absence of the same, the bid shall be rejected.
- 4. FORMULATION of SSGC's Rights Protection Committee: A permanent Committee namely "SSGC's Rights Protection Committee (RPC or Committee)" shall examine the justification of the reasons given by the Project Authority prior to blacklisting. Member of RPC must be one grade up from the members of P.A.
- 5. PROCEDURE FOR BLACKLISTING

Upon receipt of or obtaining information and/or knowledge that any Person(s) / Firm(s)(s) is involved in practices mentioned in hereinabove under the heading of Pre-Award Stage; Post-Award Stage and Other Causes, the concerned Project Authority / formation shall promptly formulate its recommendations and submit through the Managing Director, SSGC to SSGC's RPC / Committee along with its findings, details of charges and documentary evidences to initiate proceedings under this Mechanism.

#### 6. INITIATION OF AN ACTION

- (i) Within a period of 15 days after receiving the recommendations of Blacklisting / Debarment from the concerned Project Authority, the Convener of the Committee shall issue a Show Cause Notice ("Notice") thereby informing the Person(s) / Firm(s) about the alleged charges and shall provide an opportunity to the defend said charges within a time period of 15 (fifteen) days.
- (ii) The Person(s) / Firm(s)(s) shall be accorded adequate opportunity of hearing in order to defend the charges within the given timelines.
- (iii) The Notice to the Person(s) / Firm(s) shall be sent at the mailing/postal address as provided under the Contract or any other address provided by way of subsequent written communication by the Person(s) / Firm(s). The non-receipt of the Notice due to incorrect / change in mailing address without any written communication shall not be attributable to

SSGC. In case of non-receipt of any reply from the accused Person(s) / Firm(s) within the formulated time, but not less than the time given in (i) above, the Committee shall have the right to proceed on Ex-parte basis.

## 7. DECISION

The committee shall hold an independent inquiry/investigation as the case may be, and, which may include site visits and interviews with the parties concerned. The Committee shall complete the entire inquiry/investigation, preferably within a period of 30 days after receipt of response from the Person(s) / Firm(s) against whom proceedings under this Mechanism has been initiated and shall present the report to the Managing Director, SSGC. If required, the Committee may report the case to an appropriate law enforcement agency depending upon the nature of the case for detailed investigations with the prior approval of Managing Director, SSGC. iii. The Person(s) / Firm(s) against whom proceedings have been initiated under this Mechanism shall not proceed for arbitration/litigation during the proceedings for blacklisting.

## 8. COMMUNICATION OF DECISION

After recommendation for temporary & permanent blacklisting by "SSGC's Rights Protection Committee (RPC)", the Person(s) / Firm(s) concerned shall be informed within 10 days of such decision. The decision of the Committee will be notified on SSGC's and PPRA's websites and shall also be conveyed to Pakistan Engineering Council.

The temporary Blacklisting on the grounds and reasons specified herein above shall be for a reasonable specified period of time and as a general rule of prudence, the period may not exceed three years, except in cases where debarment/blacklisting has been done by any other government department or an International Financial Institution (Donor Agency). In case the Person(s) / Firm(s) has been blacklisted by a government department or the International Financial

Institution (donor agency), the period of temporary blacklisting/debarment shall be for a maximum period of 3 years or the time period for which the concerned government department/International Financial Institution (Donor Agency) debarred the contractor (whichever is higher). However the permanent blacklisting cannot be revived.

Action after the Person(s) / Firm(s) are placed on Blacklisting

- i. The decision of blacklisting will be immediately circulated to all concerned as mentioned herein above under the heading Communication of Decision.
- ii. In case of a contract already awarded to a Person(s) / Firm(s) which has been blacklisted and termination is either not possible or not feasible, the concerned Project Authority may proceed in this case to complete the contract with the approval of Competent Authority. (iii) The blacklisted Person(s) / Firm(s) shall stand disqualified from bidding from the date of decision against them. Any pending bids shall also stand rejected. If a contract has already been awarded to Person(s) / Firm(s), it shall be voidable at the option of SSGC. (iv) A separate register or data base will be maintained for blacklisted firms indicating reasons and period.

9. Effectiveness

This Mechanism or any amendments thereof shall take effect immediately with the approval from Managing Director of Sui Southern Gas Company Limited.

## 1 GENERAL

### 1.1 Scope

- 1.1.1 The purpose of this specification is to describe the minimum functional and technical requirements for Assorted Valves suitable for natural gas transportation.
- 1.1.2 The specification also covers the design, fabrication, and shipment of manual gear operators and actuators to be supplied with these valves in natural gas service.
- 1.1.3 The specification is to be applied in conjunction with the Schedule of Requirements (S.O.R.) and the supporting procurement Data Sheet (where applicable).

### 1.2 Definitions

PURCHASER means OWNER and MANUFACTURER means CONTRACTOR/SUPPLIER/BIDDER. This definition shall apply throughout this specification.

### 1.3 Errors or Omissions

- 1.3.1 Any errors or omissions noted by the Manufacturer in this Specification shall be immediately brought to the attention of the Purchaser.

### 1.4 Deviations

- 1.4.1 All deviations to this Specification shall be brought to the knowledge of the Purchaser in the bid. All deviations made during the procurement, design, manufacturing, testing and inspection shall be with written approval of the Purchaser prior to execution of the work. Such deviations shall be shown in the documentation prepared by the Manufacturer.

### 1.5 Conflicting Requirements

- 1.5.1 In the event of conflict, inconsistency or ambiguity between the contract's scope of work, this Specification, and National Codes & Standards referenced in this Specification, the Purchaser shall be consulted and a ruling, in writing, shall be obtained before any work is started.
- 1.5.2 Some requirements in this specification may be modified by specific requirements in the Schedule of Requirements. In case of conflict, the specific requirement supersedes this specification.

#### 4 GENERAL REQUIREMENTS

- 4.1 This specification covers various types of valves intended for use in the natural gas service with design rating as specified in the Schedule of Requirements and temperature between -10°C and +75°C.
- 4.2 This specification incorporates the supplementary specification of manual operators and actuators for valves. The valves and operators shall be compatible. The manual operators/actuators shall be included in the scope of supply by the manufacturer wherever specific operator types are specified.
- 4.3 The manufacturer shall be responsible for the design, manufacture, inspection, operability and fitness for service of the valves and operators supplied under this specification. Dimensions of all the valves shall confirm to the standard dimensions for such valves given in API Specification 6D (latest edition) for Pipeline Valves.
- 4.4 All ball valves shall be of fire safe design conforming to API 607 (latest edition).
- 4.5 All plug valves and check valves shall be of fire safe design conforming to API 6FA & API 6FD (latest edition).
- 4.6 Fire test certificates, Fire test Reports with drawing of the Valve under Fire Test and photographs of Fire test event requirement as specified in the standards, are required to be submitted with the bid. Fire Safe Certification shall include Fire Safe Tests on at least one valve of each model and shall be submitted with the bid documents. Valves qualified by fire safe tests shall be proven in the natural gas service for a period of at least three (03) years following the date of the test. All above documents must be signed and stamped by third party inspection firm/inspector who witness the fire safe test of valves as a proof of verification. Failure to provide above documents shall be liable for rejection of bid documents.
- 4.7 **API Certificate**
- 4.7.1 Bidders/Manufacturers are required to submit certified copy of valid API-6D accreditation certificates for the specific valve type with the bid with date of initial accreditation
- 4.7.2 Each valve which would be manufactured according to API Standard must have API monogram on valve body
- 4.8 **Original Technical Literature**
- The Bidder shall submit with his bid, detailed printed technical literature (in original) giving a description of the valve design and mode of operation, the materials used for

Reviewed By	Atique Ur Rehman AE (P&D Transmission) 	Mehboob Ali Manager (Transmission) 
Approved By	A/SGM (TS) 	A/SGM (Transmission) 

date

each valve and each operator quoted to this specification. Bids not in conformity to this requirement are liable for rejection. Each valve and each operator shall be fit for all year service on site.

#### 4.9 Sales Track Records

- 4.9.1 The Bidder shall submit the supporting documents of sales track record for the offered assorted valves, including copies of purchase order & satisfactory certificate of operations of five (5) different end users related to Oil & Gas Sector with similar requirement along with their email (email address of end user's company domain and not the commercial domain like Yahoo, Gmail, or Hotmail, etc.), fax, telephone, address and name of persons to contact to whom they have supplied the offered assorted valves within the last five (05) years and have been successfully installed and operated.
- 4.9.2 Simply submitting a list of customers to whom the manufacturer has been supplying the offered assorted valves will not meet the intent and purpose of this requirement. Failure to comply with this requirement may result in rejection of the bid.
- 4.10 The Bidder and the Supplier covered by this Specification shall provide the following particulars of the equipment quoted or ordered:
- Make, type or series
  - Pressure class
  - Nominal diameter, bore/port area
  - Types of ends (flanged or welding or threaded)
  - Full details of materials
  - Type of coating (above ground service)
  - Manufacturer's Mark
- 4.11 Before manufacturing any valve under this Specification, the Supplier shall supply to the Purchaser the drawings and a detailed description of the materials, fabrication methods and testing procedures applicable to the valve to be manufactured.
- 4.12 The documents related to the fabrication of the valve shall be reviewed by the Purchaser. The said review however shall in no way relieve the Supplier from any responsibilities and liabilities in connection with the Goods ordered, their safe & reliable operation and the specified delivery date.
- 4.13 The manual operator wherever specified in this specification is an integral part of the valve and, as such, shall be installed and tested before delivery of the valve. Where no specific manufacturer or type is specified, the manufacturer shall select a suitable type.

SSGC

Technical Specification for Assorted Valves

Spec. No. ASV-SPE-GE-1300 Rev. 00

The manufacturer shall test all functions of the valve and the operating equipment.

4.14 Inspection and Testing shall be carried out by the manufacturer at the manufacturing plant. All valves shall be visually examined for conformity to Purchaser's specifications and tested under the applicable codes and standards to make sure they conform to their intended use.

4.15 The Purchaser shall have the right to witness or require 3rd party inspection service at any time during the fabrication, testing and shipment of valves supplied in accordance with these specifications and to verify compliance with the Terms and conditions of the contract and Terms of References (TOR) attached with the bid document.

4.16 The Supplier shall give due and proper notice of commencements of valve fabrication and test under these specifications to the Purchaser/Third party inspector appointed by SSGC.

4.17 The Purchaser reserves the right to increase, decrease and delete the quantity of all the items given herein the Schedule of Requirements.

## 5 MANDATORY REQUIREMENTS

5.1 Bids are invited directly from the manufacturer or their authorized local agents in Pakistan. Beside local agent, principle involvement would be acceptable as regional Sales Representative, if applicable. However, in any case, bids from stockiest and Brokers will be rejected.

5.2 The local agents/suppliers are required to submit valid authorization letter from the manufacturer failing which will make bid non-compliant.

5.3 The bidder shall provide a clear and concise, clause by clause, compliance or exception (with detail) commentary to these technical specifications duly signed and stamped on each page by Manufacturer which is mandatory for technical evaluation. Failure to submit this document may be considered non responsive.

5.4 Each valve, manual operator and actuator shall comply with the requirement of this specification. Valve, manual operator and actuator which do not strictly comply with the requirements of this specification are liable for rejection. However, if there is any deviation with the specification for the offered item. The bidder may submit the deviation sheet covering details of respective clause and bidder's offer against the clause. Acceptance of such deviation does not guarantee of approval and this would depend on discretion of Purchaser.

## 6 SPECIFICATIONS FOR VALVES

### 6.1 Valve Design

6.1.1 Each valve shall be supplied with beveled butt welding ends or flanged ends or threaded ends or socket weld ends or a combination thereof as specified in the description of valve under Schedule of Requirements. The chemical composition of the weld ends shall meet the following requirements:

Maximum Carbon contents	0.23%
Maximum Silicon contents	0.40%
Maximum Manganese contents	1.50%

Carbon equivalent 0.43% Max by ladle analysis.

- 6.1.2 The internal diameter shall not vary more than 1/16 inch between the valve and the line pipe. The welding ends shall be beveled at an angle of  $30^\circ \pm 5^\circ - 0^\circ$  from the perpendicular to the axis of the valve with a root face of  $1/16 \text{ inch} \pm 1/32 \text{ inch}$ .
- 6.1.3 Where flanged valves are specified, facing will be as specified in the description of valves under Schedule of Requirements.
- 6.1.4 If welding end of valves are specified, the welding ends shall have dimensions and strength properties equivalent to those of the line pipe in accordance with Figure I-4 or I-5 of ASME B 31.8, Appendix-I.
- 6.1.5 Welding ends shall be free from defects such as laminations which could impair the quality of the welds for a distance of not less than 1" from the bevel. Compliance with this provision shall be assured by appropriate test.
- 6.1.6 Each valve shall be supplied with lubricant, fit for service on site. The lubricant shall resist dissolving, gumming or chemical change in service. Sealing shall be resistant to aromatic hydrocarbons.
- 6.1.7 Each valve shall be designed in such a way that any failure of the operator will not affect any other part of the valve and the malfunction of the operating equipment shall be limited to these parts and any such defective component may be replaced without removing the valve from service.
- 6.1.8 Each valve including manual operator shall be fit for upright and horizontal installation.
- 6.1.9 Lugs shall be welded to the body of each valve with a nominal diameter exceeding 10" for handling and lifting equipment, transportation and installation.
- 6.1.10 All valves shall have position indicators, indicating, open, partially open and closed positions.

Reviewed By	Atique Ur Rehman AE (P&D Transmission) 	Mehboob Ali Manager (Transmission) 
Approved By	A/SGM (TS) 	A/SGM (Transmission) 

- 6.1.11 Valves shall be fitted with manufacturer standard support ribs/legs, unless otherwise specified in the Schedule of Requirements.
- 6.1.12 The design of all valves shall ensure correct functioning and a tight shut off, even though the gas may contain dust, impurities, water or condensate. Valves shall be able to withstand a sporadic passage of water and/or Methanol (e.g. in the case of hydrostatic testing).
- 6.1.13 Valves shall be of the anti-static and anti-blow out stem type.
- 6.1.14 Valves shall not have bolted connections perpendicular to the centre line of the valve, i.e., such valves shall be fully welded. The final weld seam of fully welded valves shall be made in such a way that defects in the root are prevented.
- 6.2 Specific Valve Design
- 6.2.1 The following section gives valve design requirements specific to the valve type. Bidders/Manufacturers shall comply with these specific requirements.
- 6.2.1.1 Plug Valves
- 6.2.1.1.1 Plug valves under this specification shall be of lubricated type with venturi or regular pattern as indicated in the description of valve under Schedule of Requirements. The valve shall be filled with lubricant and complete with combination lubricator.
- 6.2.1.1.2 Plug valves under this specification shall have inverted taper plug with provision for adjustment of plug with respect to seat equalizer ring between plug and operating stem.
- 6.2.1.1.3 Plug valves shall have fire safe graphite stem packing and an arrangement for stem packing feed unit.
- 6.2.1.1.4 Plug valves shall have side feed seat sealant injection provision.
- 6.2.1.1.5 Plug valves under this specification shall be of pressure balance type.
- 6.2.1.1.6 The port area of regular plug valves shall be at least 60 percent and venturi pattern plug valve shall be at least 40 percent of the cross sectional area of the corresponding adjacent pipe internal diameter.
- 6.2.1.1.7 Plugs of all valves shall be case hardened and lapped with the valve body seat after ground finish. The plug surface shall be PTFE treated or ENP (Electro less nickel plated). ENP to be minimum of 35 microns.
- 6.2.1.1.8 All plug valves shall be provided with weather seals for both stem and cover to

Reviewed By	Atique Ur Rehman AE (P&D Transmission)	Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

prevent corrosion.

#### 6.2.1.2 Ball Valves

6.2.1.2.1 Each ball valve shall be designed and constructed for pigging.

6.2.1.2.2 Each valve shall be of the double-block-and-bleed type with double piston effect or as specified in the SOR (Schedule of Requirement).

6.2.1.2.3 Each valve shall be designed and constructed so as to minimize the entrapment of fluid in the valve body. A bleed assembly for the removal of entrapped liquids shall be provided on each side of each valve.

6.2.1.2.4 Each ball valve shall be provided with secondary seals between the ball and the seats. Secondary sealing may for example be by lubrication (in which case re-lubrication shall be feasible) or by another sealing system. Seals shall be resistant to aromatic hydrocarbons, methanol, etc.

6.2.1.2.5 Ball valves seat arrangement should be Primary Metal Seat and Secondary Soft Seat (PMSS) preferably for sales gas services or as specified in the SOR. The bidder is required to provide details of seat arrangement. Seat material should be compatible with the composition of gas.

6.2.1.2.6 The seal between ball and seat ring shall have a secondary sealing system e.g. using a lubricant, with facilities for re-injection during operation. The lubricant shall not solidify, dissolve or undergo chemical change at operating temperatures from -10°C to +75°C.

6.2.1.2.7 Connections to valve bodies shall be welded. Seal welded or threaded connections shall not be used for connections to valve bodies. The pressure sensing lines connections shall be provided directly on the valve bodies. Pressure sensing lines shall have isolating valves installed. These isolating valves shall be welding end for the ends towards the valve body (if applicable).

6.2.1.2.8 Drain connections shall be installed at the lowest point of each valve; however, these shall be positioned such that access is not prevented when the valve is mounted on a foundation plate or support while installed horizontally.

6.2.1.2.9 Pressure relief connections shall be located in the upper quarter of each valve. The diameter (D) of pressure relief lines shall be ½" for less than 4" dia valves and at least 1" for 4" dia valves and above.

6.2.1.2.10 Ball shall be ENP (Electro less nickel plated) and shall be stress relieved ENP to be a minimum of 75 microns.

Reviewed By	Atique Ur Rehman AE (P&D Transmission) 	Mehboob Ali Manager (Transmission) 
Approved By	A/SGM (TS) 	A/SGM (Transmission) 

6.2.1.2.11 An external pressure relief valve with an isolating valve may be installed to prevent cavity over-pressurization.

#### 6.2.1.3 Check Valves

6.2.1.3.1 Check valves under this specification shall conform to API 6D (Latest Edition).

6.2.1.3.2 The valves shall have leakage free bolted cover (BC).

6.2.1.3.3 The check valve shall be of swing check type.

#### 6.2.1.4 Needle Valve

6.2.1.4.1 The valve shall have its application in pressure gauge installation, bubble-tight shutoff of natural gas required.

6.2.1.4.2 The size shall be as per the Schedule of Requirements.

6.2.1.4.3 The pressure/temperature rating shall be as per the Schedule of Requirements.

6.2.1.4.4 Bonnet locking stainless steel to prevent accidental removal.

6.2.1.4.5 The valve shall be globe pattern in compact design with ends screwed female NPTF, wheel operated or "T" bar handle operated as specified in the Schedule of Requirements, and 3000 psig cold working pressure.

6.2.1.4.6 Precision-machined stem shall have roll-formed stem threads. The end of the stem shall be needle pointed. Below stem thread packing gland required.

6.2.1.4.7 Metal-to-Metal Seat. Hardened and ground self-centering, non-rotating tip.

#### 6.2.1.5 Gate Valves

6.2.1.5.1 The required metal seated gate valves should be handwheel operated with rising stem ideal for general service on gas applications.

6.2.1.5.2 The size of the valve shall be as per Schedule of Requirements.

6.2.1.5.3 The gate type shall be Slab Gate.

6.2.1.5.4 The stem type shall be Rising Stem.

6.2.1.5.5 The operating temperature shall be -10°C to +75°C.

6.2.1.5.6 The end connection shall be Flanged RTJ, ASME B16.5 with class as per Schedule of Requirements.

6.2.1.5.7 The valve design & testing standard shall be API Spec. 6D (Latest Edition).

6.2.1.5.8 The sealing surfaces of the gate and seat are hardfaced for wear and corrosion resistance.

6.2.1.5.9 Screwed ends should be NPTF ASME B16.10.

Reviewed By	Atique Ur Rehman AE (P&D Transmission)	Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

### 6.3 Valve Material

6.3.1 Where not explicitly specified, the valve material shall be as under:

6.3.1.1 The body of each valve shall be forged or cast from easily weldable low alloy killed carbon steel or as specified. The steel used for valves shall conform to the standards stated in API 6D or material standards equivalent to these.

6.3.1.2 Non-metallic parts and elements such as packing, seal, sealing, injectable material, sealants and lubricants as required and shall be suitable for the service intended for, and should conform to the requirements of API 6D.

#### 6.3.2 Plug Valves

6.3.2.1 Plug material shall be low alloy cast steel material suitable for pressure vessel application, conforming to material standards stated in API 6D or materials equivalent to API 6D material standards.

#### 6.3.3 Check Valves

6.3.3.1 The body material of check valves shall be in carbon steel (CS) conforming to ASTM A 216 WCB. The internal material is to be suitable for installation in off take horizontal lines in natural gas service.

6.3.3.2 The seat material in body and disc should be suitable for pressure and temperature class rating specified.

#### 6.3.4 Needle Valves

6.3.4.1 The body material of needle valves shall be forged Carbon Steel conforming to ASTM A105 Gr. II or Equivalent / ASTM A182F 316 Stainless Steel/ASTM A105 Forged Single Piece Steel Plated or Equivalent.

6.3.4.2 The bonnet material shall be ASTM A182F 316 Stainless Steel/ASTM A105 Forged Single Piece Steel Plated or Equivalent.

6.3.4.3 The stem material shall be 316 Stainless Steel.

#### 6.3.5 Gate Valves

6.3.5.1 The handwheel material shall be Ductile Iron.

6.3.5.2 The body material shall be ASTM A216-WCB/A351-CF8/CF8M/CF3/CF3M/A105.

6.3.5.3 The bonnet shall be ASTM A216-WCB/A351-CF8/CF8M/CF3/CF3M/A105.

6.3.5.4 The bonnet gasket material shall be 304 Wound Grafoil.

6.3.5.5 The stem will be ASTM A182-F6a/A105+ENP/LF2+ENP/F304/F316/F304L/F316L.

6.3.5.6 The stem packing material shall be Braided Graphite or Die-formed Graphite Ring or

Reviewed By	Atique Ur Rehman AE (P&D Transmission)	Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

PTFE.

- 6.3.5.7 The yoke sleeve material shall be Ductile Ni-resist.
- 6.3.5.8 The grease nipple material shall be Stainless Steel.
- 6.3.5.9 The gland material shall be ASTM A 182 Gr. F6a.
- 6.3.5.10 The gasket material shall be ASTM A105+ENP/LF2+ENP/F304/F316/F304L/F316L.
- 6.3.5.11 The stud/nut material shall be A194 2H+A193 B7/ A1938+B8/A193 8M+A193 B8M.
- 6.3.5.12 The seat material shall be Metal to Metal (STL/SS304/SS316/SS304L/SS316L).

## 7 MANUAL OPERATION FOR THE VALVES

### 7.1 General

Where required manual gear operators shall be supplied for use with valves in natural gas transmission lines with respective design rating to ANSI and design temperature of -10°C and +75°C. No stem extension is required except where specified in the Schedule of Requirement.

### 7.2 Technical Requirement

The following listed requirements shall be fulfilled by the manufacturer/supplier of the manual operators:

#### 7.2.1.1 Compatibility between Valve and Manual Operator

The valve manufacturer shall be responsible for the correct dimensioning/sizing of the operator (Gear) and compliance with the requirements of this specification.

#### 7.2.1.2 Torque for Manual Operation

7.2.1.2.1 The torque required to open a valve at a pressure drop across the valve equal to 100% of the maximum pressure rating of ANSI Class 600 (or as per schedule of requirement) shall be reasonable. The maximum driving torque shall be 250 Nm (Newton Meter). Each manual operator shall be designed to withstand torque of 600 Nm. The breakaway torque and any upset condition shall be taken care of to establish the design torque. Each manual operator shall be of the self-retaining type.

7.2.1.2.2 The force required at the lever/wrench or the hand wheel to operate the valve shall not exceed 250 N (Newton).

7.2.1.2.3 In the bid, the Bidder shall indicate the minimum time and the number of rotations of the hand wheel required to open or close the valve.

Reviewed By	Atique Ur Rehman AE (P&D Transmission)	Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

- 7.2.1.2.4 The hand wheel shall be vertical and placed sidewise adjacent to the Valve.
- 7.2.1.2.5 The operator shall, after assembly be equipped with a position indicator and corresponding metallic plate bearing the inscription (in English) open/closed. Stops are to be provided at the fully opened and closed position.
- 7.2.1.2.6 Flange dimensions for operating equipment shall be in accordance with the hand wheel and suitable for later installation of pneumatic actuator where indicated.
- 7.2.1.3 **Lubrication and Materials**  
The manual operator gearing and the bearings shall be lubricated with a suitable lubricant. Each gear box shall be so designed that no lubricant can escape even under inadequate storage conditions. Cast iron shall not be used for any component of any manual operator with the sole exception of gear boxes.
- 7.2.1.4 **Assembly of Valve and Manual Operator**
- 7.2.1.4.1 Each manually operated valve shall be assembled prior to shipment and shall be ready for installation upon delivery. Each valve shall be suitably protected from damage during transportation.
- 7.2.1.4.2 Each manually operated valve shall be shipped in the open position. Hand wheel shall be removed and packed separately placed in the valve crate or attached to the valve skid. Valves in size less than 12 inches shall be wrench operated except otherwise specified in the Schedule of Requirement.
- 7.2.1.5 **External Surface Treatment**  
Valve gear shall be delivered from the factory sand blasted and coated or painted in accordance with the manufacturer's standard specifications.
- 7.2.1.6 **Instructions**  
The Supplier shall provide the Purchaser with six copies of original installation and operating instructions manual (in the English language) for all operators upon delivery.

## 8 VALVES ACTUATORS

### 8.1 General

Where required Actuators shall be supplied pre-installed with valves for installation on main pipeline/valve assemblies, transporting high pressure natural gas. The Supplier shall be responsible for design, manufacture, inspection, operability and fitness for service of the actuators supplied under these specifications.

Reviewed By	Atique Ur Rehman AE (P&D Transmission) 	Mehboob Ali Manager (Transmission) 
Approved By	A/SGM (TS) 	A/SGM (Transmission) 

## 8.2 Technical Requirement

8.2.1 The following listed requirements shall be fulfilled by the manufacturer/supplier of the valve actuators:

8.2.1.1 Actuators shall be suitable for Local Valve operation, pneudraulic i.e., gas over oil pressure.

8.2.1.2 Actuators shall be of a piston type utilizing gas supply for hydraulic operation (with automatic level equalizing of the gas/oil circulation system) converting pneumatic pressure into hydraulic pressure to operate the valves. Piston sleeves shall be designed for the full differential pressure to which they could be exposed. Provision for speed control shall be included.

8.2.1.3 Actuator where required shall be supplied as a single assembly with actuator and other accessories supplied and installed with the Valve.

8.2.1.4 Valve, actuators shall preferably be supplied from a same vendor/manufacturer; however if a valve is provided with an actuator from other source, but supplied as part of valve requisition, the responsibility of the overall valve assembly (valve complete with actuator and/or accessories) shall be with the Contractor.

8.2.1.5 The actuators shall be compatible to the valves and respective design rating to ANSI and temperature of -10°C to +75°C.

8.2.1.6 Actuators and all appurtenances shall be suitable for outdoor installation and ambient temperatures ranging from 5°C to 55°C and exposure to a hot, dry and dusty environment with occasional sand storms.

8.2.1.7 The Bidder shall select proper actuators for the valves and shall assume full responsibility for valve operation under various differential pressure conditions across the valve.

8.2.1.8 Pipeline natural gas shall be used for operation of the Actuators. Maximum and minimum operating pressures of the pipeline are 1300 psig and 150 psig respectively. Regulators, if required for a selected pressure conditions for operation of the actuators shall be included in the scope of supply.

8.2.1.9 Unless other stroking times are indicated in the Data Sheet (where applicable), Max. Opening Stroke Time of actuator shall be at least 30 Seconds and, Closing Stroke Time of actuator shall be 05 Seconds. However; Vendor/manufacturer may propose better stroking time as per their manufacturing standard.

8.2.1.10 The valve/actuator package shall be supplied complete in all respects, including limit

Approved By	A/SGM (TS) 	A/SGM (Transmission) 

Ali:

switches, solenoid valves, pilot valves, breathers, drains, explosion proof control cabinet, terminal boxes installed with terminal strips.

8.2.1.11 Limit switches, solenoid valves shall be pre-wired in terminal box for single point cable termination.

8.2.1.12 The control cabinet of the actuators shall be lockable and weather proof for all weather conditions. The limit switches and circuit blocks housings should be air tight and should not allow any moisture entrance.

8.2.1.13 All electrical equipment shall be certified for use in the intended area in accordance with the applicable standards from one of the following bodies:

- IEC : International Electro-technical Commission
- ATEX : European Union Directive for Explosive Atmospheres
- UL/FM : Underwriters Laboratories / Factory Mutual

8.2.1.14 All electrical components of actuator/valve assembly shall be certified for use in Class-1, Div.-II, Group D or Zone-2 Gas Group II A.

8.2.1.15 All instrumentation/control piping shall be 316 stainless steel, and tubing fittings shall be 'Flareless Type' (i.e. Ferrule type).

8.2.1.16 Electronic component including Solenoid valves and switches shall be 24 Volt DC power supply operable or other voltage level as specified in the Data Sheet (where applicable).

8.2.1.17 IP (Ingress Protection) of Electric Enclosures / IP requirement of actuator's various Enclosures i.e. JB's, Control panel and etc. shall be mentioned (shall meet ingress protection (IP) IP65 to IEC 60529 or NEMA 4X to NEMA 250 or equivalent.).

8.2.1.18 Provision shall be considered for open and closed position displays in Purchaser's central control room.

8.2.1.19 Electric Power Source Requirement shall be mentioned either the said source shall be built-in (integral part of actuator) or external (purchaser in purchaser scope).

8.2.1.20 Considering the reliable and smooth operation of gas distribution transmission system actuator mechanism shall preferably be SIL rated.

8.2.1.21 The valve actuator shall be designed so that the valve fails last position on loss of hydraulic/gas supply pressure, Control voltage deriving Solenoids, etc.

8.2.1.22 Bypass Operation Provision of Actuator shall be considered, Actuator shall be equipped with handwheel with interlocking mechanism for direct manual handling of valve.

Reviewed By	Atique Ur Rehman AE (R&D Transmission)	Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

8.2.1.23 Local Valve operation using hand pump shall be considered.

8.2.1.24 Where specified in the Data Sheet (where applicable), provision for Line Break Control System shall be considered to over-ride remote, local power operation, for installation on river crossing.

8.2.1.25 The Line Break Control System should operate with local sensing pressure as specified in the Data Sheet (where applicable) and sensitive to 7.5-10 psi per minute. Line Break Valve should be closed when a limit of rate of decrease of mainline pressure at the river crossing location reaches a minimum of 10 psi/minute or as specified in data sheet. Line break valve should be adjustable type with minimum range of 10 psi/min to 20 psi/min and vendor/bidder to specify its suitability. (Bidder shall clearly specify the suitability of the offered Line Break Control System for river crossing installation)

8.2.1.26 Pressure Controlled Emergency Shut-down (ESD) control shall be considered at low gas pressure at the preset pressure range in case of line rupture. This ESD control feature will automatically activated in case of pressure drop during break or explosion of line and closes the valve.

8.2.1.27 Valve Local Position Indication Provision shall be considered, position box of actuator shall be equipped with local position indicator to observe the valve position locally either valve is open or close.

8.2.1.28 Tightness Tests of the completed actuator shall be made using air or inert gas at a test pressure of 1.1 times maximum allowable operating pressure. All joints in the piping should be soap tested at 50 and 100 psig.

8.2.1.29 All test functions of the complete valve including actuator shall be made at the manufacturer's premises and a test certificate submitted with the valves.

8.2.1.30 The valve/actuator unit shall have proper arrangements (i.e. Eye bolts for lifting connection) to avoid any damage during installation/removal.

8.2.1.31 Actuator & accessories shall be fire resistant/fire proof and shall meet requirements of API 607. Certification shall be provided by the Vendor in this regard.

8.2.1.32 The actuator specified is in integral part of the package and, as such, shall be installed and tested before delivery of the valve. The supplier shall select an appropriate actuator for the required service.

8.2.1.33 The package shall be supplied completely assembled and factory tested at the specified set of conditions and shall be ready for installation.

Reviewed By	Atique Ur Rehman AE (P&D Transmission)	Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

8.2.1.34 The Bidder shall submit together with his bid:

- a description of the design and mode of operation of actuators
- Electric wiring diagram of actuators
- P&ID diagram of the actuators
- GAD drawing with actuator assembled/mounted on the Valve

8.2.1.35 The bidder shall submit valid authorization certificate for use of U-Stamp for design and manufacture of the pressure containing cylinders and parts in accordance with pressure Vessel Code, ASME Section-VIII. The bidder shall confirm that hydraulic cylinders are ASME U Stamped.

8.2.1.36 Each actuator shall be fit for all year service on site

## 9 INSPECTION AND TESTING REQUIREMENTS

### 9.1 General

9.1.1 The valves shall be inspected and tested for the following items as minimum requirement and in accordance with API 6D, API 598 and other applicable codes.

- Appearance Inspection (Workmanship)
- Visual Inspection
- Dimensional Inspection
- Welding and Non Destructive Testing
- Pressure Tests
- Functional / Operational Test with Operator installed
- Fugitive Emissions Test
- Antistatic Device Test
- Fire Safe Test Procedure and Criterion shall be in accordance with API 6FA, 6FD and 607 (whichever applicable)

9.1.2 The Purchaser's representative inspector shall have access to any part of the plant along with the area outside Manufacturer's plant which is responsible for fabrication of pressure containing parts of valves whenever work on the order is under way.

9.1.3 The valve manufacturer shall notify the Purchaser prior to the required valve testing and any specified supplementary inspections or examinations, addressing the notice as stated in the purchase order or as mutually agreed with the Purchaser.

9.1.4 The valve stem shall be blow out proof and shall be statically grounded to the body.

Reviewed By	Atique Ur Rehman AE (P&ID Transmission)	Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

## 9.2 Appearance Inspection (Workmanship)

9.2.1 Appearance Inspection shall be done on all accessible surfaces of the valves.

9.2.2 Both inside and outside surfaces of casting material shall be free from harmful blow holes, fins, seizures of sand scales, sand inclusions and cracks and shall be in accordance with MSS-SP-55.

9.2.3 Machined surfaces shall be free from injurious defects in use and rust and finished condition shall be as per acceptable standards.

## 9.3 Visual Inspection

At a minimum, visual inspection of all pressure-containing and pressure-controlling steel forgings shall conform to ASME BPVC Section VIII, Division 1, UF-45, and UF-46. Acceptance criteria shall be that no visible defects, including seams, laps, and folds, shall be accepted.

## 9.4 Dimensional Inspection

9.4.1 Dimensional Inspection shall be done by using appropriate measuring instruments.

9.4.2 Dimensional Inspection shall confirm the parallelism, rectangularity and face to face dimensions, bore diameter etc. All outline dimensions including actuators shall comply with the approved drawings.

## 9.5 Welding and Non Destructive Testing

9.5.1 Welding qualifications shall be as per ASME BPVC IX or ISO 15614.

9.5.2 All factory welds shall be made in accordance with the requirements of the American Welding Society and ASME Section VIII, Division I.

9.5.3 Procedure tests covering strength, hardness and toughness shall be made to show the fitness of the welding procedure used for factory welds shall be made by welders qualified in the procedure used, who have passed an appropriate welder qualification test. All welding operations shall be supervised by a qualified welding supervisor.

9.5.4 All welds shall be inspected visually by the welding supervisor. Welds, welding ends and any repair welds shall be tested by appropriate non-destructive methods to demonstrate to the welding supervisor that all welds, welding ends and repair welds meet the requirements of these specifications.

9.5.5 Without limitation of the generality of the foregoing, all welds parallel to the longitudinal axis of the valves, and 10% of all circumferential welds shall be inspected by radiographic methods. Each welding end shall be tested by dye penetration methods and each repair weld shall be tested by radiographic or ultrasonic methods. The welding

Reviewed By	Atique Ur Rehman AE (P&D Transmission)	Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

ends of valves shall be solidly sound and shall not be cause of failure in radiographic examination of the joints with piping.

9.5.6 Defects shall be removed, cleaned and prepared for inspection by magnetic particle or dye penetrant method to verify complete removal of the defect. Weld repair methods shall be in accordance with the approved welding procedures. All weld repairs to pressure containing parts shall be heat treated.

9.5.7 No weld in the body of any valve shall contain any lack of fusion. If feasible, body welds shall consist of both, external and internal runs. Each weld shall be smooth and free from cracks. No weld shall contain any major inclusions. The height of the weld above the surface of the parent metal shall not exceed 1/8 inch. Undercuts shall not exceed 10% of the wall thickness or 3/64 inch, whichever is lower. Each welded joint shall be completely filled. No weld shall be thinner than the wall thickness of the parent metal.

9.5.8 Magnetic particle or dye penetrant techniques shall be employed to test:

- Pressure containing components smaller than 2 inch welded to other pressure components.
- Welds joining non pressure components such as lifting lugs to pressure components.
- Weld builds ups such as overlays.

9.5.9 Radiographic, ultrasonic or both techniques shall be used for full volume inspection of:

- Pressure containing fabrication welds for 2 inch or larger components.
- Weld repair to these components.
- Major weld repairs to pressure containing components.

9.5.10 Valve bodies of welded construction shall be annealed if they include wall thickness of 1.20 inches or higher. All cast valve bodies, irrespective of wall thickness, shall be annealed. The annealing process shall be carried out after all repair welds, if any, have been completed.

## 9.6 Pressure Tests

9.6.1 Pressure tests shall be performed by the valve manufacturer at the valve manufacturer's plant or at a facility mutually agreeable to both the Manufacturer and Purchaser.

9.6.2 The equipment used to perform the required pressure tests shall not apply external forces that affect seat or body seal leakage.

9.6.3 Required protective coatings, such as paint, which can mask surface defects, shall not

Reviewed By	Atique Ur Rehman AE (P&B Transmission)	Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

be applied to any surface before inspection or pressure testing.

9.6.4 The pressure tests shall be performed on each valve in accordance with written procedures and applicability as mentioned in API 6D or API 598.

#### 9.6.5 Hydrostatic Shell Test

9.6.5.1 Hydrostatic shell test of all valves shall be performed in accordance with Section 10.3 of API 6D.

9.6.5.2 The Hydrostatic Shell Test (including drain, vent and bypass lines) shall be made at the test pressure given in API 6D.

9.6.5.3 For double block and bleed valve, additional testing shall be done as per Annex L.9 of API 6D.

9.6.5.4 The duration of test pressure shall be as per Table 9 of API 6D.

9.6.5.5 Test pressures and hold times shall be continuously recorded on a test chart. Recorded test certificate and charts shall be submitted to the Purchaser.

9.6.5.6 The hydrostatic test fluid shall be water and shall contain a corrosion inhibitor.

9.6.5.7 There shall be no visible leakage permitted during the hydrostatic shell test.

#### 9.6.6 Hydrostatic Seat Test

9.6.6.1 Hydrostatic seat test of all valves shall be performed in accordance with Section 10.4 of API 6D.

9.6.6.2 The Hydrostatic Seat Test shall be made at the test pressure given in API 6D.

9.6.6.3 For double block and bleed valve, additional testing shall be done as per Annex L.9 of API 6D.

9.6.6.4 The duration of test pressure shall be as per Table 10 of API 6D.

9.6.6.5 Test pressures and hold times shall be continuously recorded on a test chart. Recorded test certificate and charts shall be submitted to the Purchaser.

9.6.6.6 The hydrostatic test fluid shall be water and shall contain a corrosion inhibitor.

9.6.6.7 Seat leakage shall be monitored from the downstream side of the seat when under hydrostatic seat test.

9.6.6.8 Leakage criteria shall be as per Section 10.4.1 of API 6D.

9.6.6.9 For low pressure test, the testing medium shall be air or inert gas.

9.6.6.10 For ball valves, the low pressure seat test shall be conducted with the ball and seats dry and free of oil, grease or any lubricant.

Reviewed By	Atique Ur Rehman AE (P&D Transmission)	Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

**9.6.7 Stem Backseat Test**

9.6.7.1 Testing of backseat shall be performed as per Section 10.2 of API 6D.

9.6.7.2 The Backseat Test shall be made at the test pressure given in API 6D

9.6.7.3 The duration of test pressure shall be as per Table 8 of API 6D.

9.6.7.4 Test pressures and hold times shall be continuously recorded on a test chart.

Recorded test certificate and charts shall be submitted to the Purchaser.

9.6.7.5 There shall be no leakage permitted for stem backseat test.

**9.6.8 High-Pressure and Low-Pressure Closure Test:**

9.6.8.1 When closure testing valves, the valve manufacturer's test procedure shall ensure that excessive force is not used to close the valve. The applied force may be determined from the appropriate figures mentioned in MSS SP-91 (Guidelines for Manual Operation of Valves).

9.6.8.2 The high and low pressure closure test shall be as per requirement mentioned in Table 1 of API 598.

9.6.8.3 Valves for which high pressure closure test is optional as mentioned in Table 1 of API 598 are still required to be able to pass the tests. The results shall be supplied if required by the Purchaser.

9.6.8.4 For high-pressure closure tests, the test fluid shall be air or inert gas. Unless otherwise specified in the purchase order, the test fluid temperature shall be within the range 5°C (41°F) to 38°C (100°F). For low pressure closure test, test fluid shall be air or inert gas.

9.6.8.5 Water used can contain water-soluble oil and/or corrosion inhibitor. When specified by the Purchaser, a wetting agent shall be included in the water.

9.6.8.6 When air or gas is used for closure tests, the valve manufacturer shall be capable of demonstrating the adequacy of the method of leakage detection.

9.6.8.7 Closure test pressures shall be as per Table 3 of API 598.

9.6.8.8 For closure tests, the required test pressure shall be maintained for at least the minimum time specified in Table 4 of API 598.

9.6.8.9 For both the low-pressure closure test and the high-pressure closure test, visual evidence of leakage through the disc, behind the seat rings, or past the shaft seals is not permitted and structural damage is not permitted. The allowable rate for leakage of test fluid at the seat-sealing surface interface, for the duration of the tests shall

Reviewed By	Atique Ur Rehman AE (P&D Transmission) 	Mehboob Ali Manager (Transmission) 
Approved By	A/SGM (TS) 	A/SGM (Transmission) 

be as per Table 5 of API 598.

9.6.8.10 The allowable leakage rate for closure tests of valves with nonmetallic seat materials shall be equal to that specified in Table 5 of API 598 for a metal-seated valve of equivalent size and type.

9.6.8.11 Closure test procedure shall be as per Section 6.4 and 6.5 of API 598.

9.6.8.12 For double block and bleed valve, the high-pressure closure test procedure shall be as per Section 6.6 of API 598.

#### 9.7 Antistatic Device Test

When specified in the purchase order, antistatic testing shall be performed. The electrical resistance shall be tested with a power source not exceeding 12 V to have continuity between the parts listed in Section 5.8 of API 6D when tested on a dry valve before pressure testing.

#### 9.8 Fugitive Emissions Test

9.8.1 When specified in the purchase order for natural gas transmission service, valves shall undergo fugitive emission qualification testing. This shall be performed in conformance to a national or international standard such as:

- API 624 for rising stem valves
- API 641 for quarter-turn valves
- ISO 15848-1 for Industrial valves

9.8.2 When specified in the purchase order, valves shall be fugitive emission production tested. The production fugitive emission testing of valves shall conform to ISO 15848-2.

### 10 EXTERNAL SURFACE TREATMENT

10.1 Valves shall be delivered, externally sandblasted and primed in accordance with the Manufacturer's standard painting specifications.

10.2 Manufacturer will submit the painting specification for Purchaser's approval.

### 11 MARKING

11.1 Each valve accepted shall be marked visibly and permanently in a suitable position. The marking shall include the following information:

- Project Mark
- Purchase Order/Contract Number
- Manufacturer's Mark

Reviewed By	Atique Ur Rehman AE (P&D Transmission) 	Mehboob Ali Manager (Transmission) 
Approved By	A/SGM (TS) 	A/SGM (Transmission) 

- Diameter
- Pressure Rating
- Inspector's Stamp
- Traceability number

11.2 Butt Welding (BW) ends shall be marked with material designation.

## 12 DOCUMENTS

12.1 Prior to starting manufacture, the Manufacturer shall submit the following documents and receive written acceptance from the Purchaser:

- Controlled Copy of Quality Control Manual
- Welding Procedures
- Pressure Test Procedures
- Non-Destructive Test Procedures
- Drawings
- Inspection Test Plan
- Material Test Certificates
- Boiler and Pressure Vessel Safety Registration Certificate

### 12.2 Quality Control Program

12.2.1 The manufacturer shall provide documentation with the bidding documents for the in house quality control program which is strictly adhered to for the production of all manufactured equipment. This program must adhere to an internationally accepted quality control standard such as ISO 9000 series and API Spec Q1.

12.2.2 Failure to provide certification of proof of compliance may result in rejection of the bid.

12.2.3 The Supplier shall submit six copies of Inspection and Material Test Certificates to the Purchaser prior to delivery or with delivery of material. The Purchaser has right to reject the consignment if bidder has failed to provide MTC.

12.3 Six copies of the following documents shall be submitted four weeks before the delivery of the valves:

- Scale drawings with parts lists and material data
- Installation, operation and maintenance instructions for the complete valve
- ✓ • Inspection test and material certificates
- Data sheets and diagrams showing adjustments and closing times.

Reviewed By	Atique Ur Rehman AE (P&D Transmission)	Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

- Calculation sheets

Description of manufacturing and test procedures

12.4 All documents must be reproducible and suitable for microfilming. Any deviations from the approved specifications must be approved by the Purchaser. The Supplier must submit a detailed test program of the tests to be carried out on the valves which must be subject to review of the Purchaser.

12.5 Six copies of the test documents of each valve in accordance with the requirements of API 6D shall be supplied to the Purchaser. Each such document shall clearly identify the valve to which the document relates.

12.6 Bidders shall include in their bids spare parts recommended for two years operation separately. However, the spare parts for commissioning purpose should be included with valve quotation (if required).

#### 12.7 Final Documentation

12.7.1 A dossier shall be compiled concurrently with full record of the fabrication, materials, inspection and testing.

12.7.2 All items in the dossier shall be numbered and bound in an A4 four post binder; contents shall include but not be limited to the following (as applicable):

- Front cover sheet detailing:
  - P.O. No.
  - Project Title
  - Equipment Title
  - Equipment Item No.
- Index
- Purchaser Release Note
- Purchase Order
- A list of all applicable codes, standards and specifications
- All drawings "As-built" - wherever legibility can be preserved, reduced to A3 and folded, where legibility cannot be preserved, drawings to be folded to A4 size and inserted into pre-punched plastic wallets.
- NDT procedures
- All NDT / PWHT / Hydrostatic / Performance test reports
- Photocopy of Nameplate
- Material chemical analysis and mechanical test certification

Reviewed By	Atique Ur Rehman AE (P&ID Transmission) 	Mehboob Ali Manager (Transmission) 
Approved By	A/SGM (TS) 	A/SGM (Transmission) 

- Final signed quality plan
- Material test certificates
- Mechanical design calculations
- Procedure Qualification Records
- Welding qualification Tests
- Painting inspection certificates
- Manufacturing Data Records (MDR)
- Installation Drawings and Procedures
- Operation and Maintenance Manual
- Schedules of commissioning spare parts

12.7.3 For all above documents, six (06) sets shall be submitted in clearly labeled 4 ring white hard cover binder. All documents smaller and larger than A4 shall be inserted into A4 pre-punched, top-loading plastic wallets with the project document number/title block clearly visible to the front.

### 13 LUBRICANT

Type of lubricant/sealant recommended and lubricant/sealant injection hand guns should be specified and prices quoted. The manufacturers shall have in-house know-how and manufacturing facilities of lubricant/sealant used in the offered valves.

### 14 INSPECTION CERTIFICATES

14.1 The Supplier shall cause inspection certificates to be issued and certified by an inspector of his own quality assurance department appointed for this purpose.

14.2 Each such certificate shall show the results of tests made under these specifications such as tests of the functions of the valves to be supplied and correct dimensions and shall show the Purchaser's Contract Number.

### 15 PACKING

15.1 All valves shall be assembled prior to shipment and shall be ready for installation upon delivery. The valve shall be so packed, transported and stored as to prevent damage prior to delivery. The Supplier shall warrant that the valves will remain clean and dry during transportation and storage until installation.

Reviewed By	Atique Ur Rehman AE (P&D Transmission)	Mehboob Ali Manager (Transmission)
Approved By	A/SGM (TS)	A/SGM (Transmission)

15.2 All handling, loading and unloading shall be done in such a manner as to minimize mechanical damage.

15.3 Packing shall be sufficiently robust to withstand rough handling during ocean shipment and up country journey. All items shall have their respective identification letters or numbers painted on body and these shall be suitably packed to provide ease of handling and storage and maximum protection during transport and storage periods. Crates or boxes shall have a list of items contained therein secured to the exterior by means of an enveloping piece of tin sheet nailed to the wood. A duplicate list shall also be included inside with the contents.

15.4 Protection against corrosion/deterioration shall be given special attention. Machined steel and iron parts shall be heavily greased/varnished as a preventive measure against rust and where grease is used it shall be such that it retains its consistency, and does not melt at tropical temperatures and is acid free.

15.5 Valves shall be shipped with the faces of the flanges or the welding ends protected over the entire contact surfaces with suitable protectors securely attached to the valves. Hand wheels/wrenches shall be packed separately.

**AFFIDAVIT OF COMPLIANCE WITH INTEGRATED MANAGEMENT SYSTEM (IMS) MANUAL**

I, \_\_\_\_\_ [Supplier's Authorized Representative Full Name], of \_\_\_\_\_ [Supplier Company Name], with principal office located at \_\_\_\_\_ [Full Address], do hereby solemnly affirm and declare as follows:

1. That I am the duly authorized representative of \_\_\_\_\_ [Supplier Company Name], and have the legal authority to make this declaration on behalf of the company.
2. That I confirm having accessed, read, and fully understood the Integrated Management System (IMS) Manual provided by Sui Southern Gas Company Limited (SSGC), available at official website [<https://www.ssgc.com.pk/web/wp-content/uploads/2025/06/IMS-Mannual-1-1.pdf>].
3. That \_\_\_\_\_ [Supplier Company Name] agrees to comply fully with all the policies, procedures, and responsibilities outlined in the IMS Manual, and will ensure that all relevant employees, contractors, and agents are made aware of and comply with the same.
4. That \_\_\_\_\_ [Supplier Company Name] acknowledges that failure to comply with the IMS Manual may result in corrective action, including but not limited to financial penalties as per SSGC policy and suspension or termination of business with Sui Southern Gas Company Limited (SSGC).
5. This affidavit is made in good faith and for the purpose of affirming our commitment to health, safety, and environmental standards in our operations and engagements with SSGC.

Signed at [City] this [day] of [month], [year].
