

SUI SOUTHERN GAS COMPANY LIMITED
METER MANUFACTURING PLANT
SPECIAL TERMS AND CONDITIONS.

- 1) The bidder must be registered with NTN and GST.
- 2) Bidders are required to visit the site prior to bid submission to fully understand the operational requirements, usage conditions, and intended application of the consumable items.
- 3) **Cotton Gloves** shall strictly conform to the approved sample and specified size.
- 4) **Face Masks** shall meet the approved sample and the required technical specifications.
- 5) **Cotton Rags** shall be supplied as per the specified size, material, and quality requirements.
- 6) **Washing Surf** shall conform to the approved sample, specified weight, and required performance standards.
- 7) All items must be brand new, unused, clean, and free from any manufacturing or material defects.
- 8) Items must be securely and appropriately packed to prevent damage, contamination, or deterioration during handling and transit.
- 9) Each package must be clearly labeled, indicating the item name, quantity, batch number, manufacturer details, and the relevant purchase order number.
- 10) Any item that fails to meet the required specifications or approved sample shall be rejected. The supplier shall replace such items at their own cost within the stipulated time frame without affecting operational continuity.
