Subject: NATURAL GAS SALE PRICING FY 2022-23 (EFFECTIVE- 1<sup>ST</sup> JANUARY 2023)

Dear Sir(s),

I am directed to refer to OGRA's O.M No. OGRA-10-3(8)/2020 dated 15.02.2023 notifying the revised category-wise consumer gas sale prices pursuant to the advice of the Federal Government and to inform that the revised gas prices have been given effect from 01.01.2023 leading to charging of arrears for the period 01.01.2023 to 14.02.2023 to the consumers where invoices have already been settled and/or revised bills are being issued. In order to off-set the impact of accumulative charging of arrears burdening the gas consumers, it has been decided that recovery of the arrears may be staggered into four equal monthly installments starting from the month of March to June 2023.

2. You are requested to consider the above while revising the monthly bills of the gas consumers starting from March to June 2023.

Yours Sincerely,

  
(Abdul Rasheed Jokhio)  
Director General (Gas)
