Editor's Note

Dear readers,

The latest issue of **The Flame** is with you. As you can see from the news items and some new developments, SSGC has been a busy place as always. Read about Directors' Training Program held in the Head Office featuring our Board of Directors and senior management, important OGRA hearings, MD Amin Rajput and team's useful visit to Hyderabad and ICAP Conference in Karachi in which the Company made a strong presence with a number of its finance managers as the event delegates and an aesthetically designed booth in the exhibition area that became a thriving spot for networking.

Among the other leading stories were the conferring of ICAP Professional Excellence Awards and an exclusive appreciation letter to MD, SSGC for addressing the grievances of the poor citizens of Pakistan. The prestigious ICAP Awards highlight exemplary leadership, innovation, and value creation, showcasing the significant impact ICAP professionals have in shaping industries and driving progress. Another significant development covered in this issue was the execution of the Phase 2 of the Automation and Control Project that includes 47 additional TBSs and 16 high-volume SMSs across Sindh and Baluchistan. This expansion incorporates enhanced technological features, more resilient infrastructure and stringent cybersecurity compliance to ensure optimized, robust, sustained and secure operations.

And for those who would like to take a peak into the history, find some rare Gas Purification Plant pictures from 1955.

Happy ending,

Ed

Message from the Managing Director

Dear Team,

As the fiscal year comes to a close, I am glad to note that we have delivered on diverse fronts that reflect our efforts to support energy sustainability, security and long-term value creation. While executing long-term initiatives such as the gas rehabilitation program, we remain committed towards delivering robust earnings and value for shareholders. Since the last couple of years, the Company has focused itself towards arresting UFG trend, implementing an unprecedented infrastructural development program while at the same time gearing itself towards improving market capitalization while sincerely working towards scaling technological initiatives including indigenization of the gas meter manufacturing plant.

The challenge before the Company is not just ensuring positive financial numbers but in consolidating its position, as one of the country's leading SOEs. And this will require concerted efforts from each one of us in SSGC. On behalf of the Board of Directors, I would also like to thank the talented team of men and women at SSGC who work tirelessly to ensure we continue to deliver value to our shareholders and reliability to our customers. And finally, to our shareholders, thank you for your continued confidence and trust in SSGC.

All the best for the next fiscal year,

Warm regards,

Amin Rajput

ICAP CFO Conference 2026

SSGC's finance professionals takes part in a major conference to gain forward-looking insights

The ICAP CFO Conference 2026, themed “The New Playbook – Adapt, Innovate, Elevate,” was held in Karachi on May 12 and in Islamabad on May 14, 2026.

The ICAP CFO Conference is a premier forum organized by the Institute of Chartered Accountants of Pakistan (ICAP), that brings together influential finance leaders, decision-makers, and industry experts to discuss strategic insights, innovation, and leadership in finance. The 2026 edition emphasized on the evolving role of CFOs as architects of transformation, focusing on adapting to disruption, leveraging emerging technologies, and building agile frameworks. A large number of SSGC executives including senior and junior managers from finance, audit

and other sessions attended high-impact speakers’ sessions covering economic shifts, developments in AI, investment insights, and leadership strategies designed to challenge thinking and drive measurable impact.

SSGC was one of the sponsor companies of the mega-event. The Company made its presence felt at the Conference by setting up a creatively designed corporate booth. The booth, designed and produced by the Company’s Corporate Communication Department was a convergence point for delegates from both SSGC and other companies, giving both of them a chance to indulge in networking and in sharing new trends and strategic insights.

OGRA hold public hearings for SSGC

Oil and Gas Regulatory Authority (OGRA) held public hearings filed by SSGC for the benefit of all interested parties and general public to furnish their comments and suggestions. The public hearings were held on May 18, 2026. They were convened by OGRA for SSGC, subsequent to petitions filed by the Company for a) determination of its estimated revenue requirement / prescribed prices for FY 26-27 and b) consider Final / Actual RLNG sale price from July 2022 to March 2024.

From OGRA, Shahzad Iqbal, Member Gas, Shakeel Ahmed, Member Finance and Zain-ul-Abideen Qureshi, Member Oil heard arguments presented by the stakeholders.

Amin Rajput, MD, SSGC presented the case for SSGC during the two petitions. Intervenors presenting the industrial sector spoke on the petitions filed by the gas utility, on the occasion.

Phase-2 of the Automation & Control Project kicks off

In today's fast-paced world, where technology is evolving at an incredible pace, the Research & Development (R&D) Department of SSGC plays a critical role in keeping the organization ahead of the technological curve.

Through detailed market studies, successful trial projects and users acceptance, R&D-Projects has implemented advance technology and tools that has not only enhanced operational efficiency of the organization but also significantly reduced losses.

A landmark achievement by R&D in SSGC's technological journey is the sustained operation post-execution of the Pilot Project for Automation & Control of 50 Town Border Stations (TBSs) in the Karachi Region.

This project has completely revolutionized operations by integrating advanced technology, yielding benefits in gas load management, 24/7 round-the-clock operational control and associated costs reduction. OGRA also graciously appreciated this landmark project in writing and encouraged to be supportive for future such projects.

Building on this success, SSGC's higher management, stakeholders, and the R&D team collaborated for

expanding the Automation and Control Project (Phase-2) that includes 47 additional TBSs and 16 high-volume Sales Metering Stations (SMSs) across Sindh and Baluchistan. This expansion incorporates enhanced technological features, upgrades, more resilient infrastructure and stringent cybersecurity compliance to ensure optimized, robust, sustained and secure operations. The phase-2 will serve over 2 million domestic and commercial customers on its completion.

Further Automation and Control System (Phase-2) will facilitate real-time pressures regulation, improve load management. Radio Frequency-RF communication, Centralized Control Room (CCR) and implementation of OT program IEC 62443 Security Level 3 compliance, will adhere to ISO 9001 and ISA/ IEC 62443 standards. Design and engineering considerations shall ensure maintenance ease, operational reliability and enhanced cybersecurity in alignment with SSGC's strategic goals for secure and efficient gas supplies.

Subsequent to all required approvals and documentation, the project implementation has been initiated with scheduled completion in December 2026.

MD, SSGC greets team on the occasion of eid

Amin Rajput, MD, SSGC extended eid-ul-adha greetings to the Company's executives and staff at the Head Office after the eid holidays in June 2026. Divisional and departmental heads, executives and staff assembled at the

SSGC Head Office reception area to meet the MD while also exchanging festival greetings with each other. The meet and greet session was followed by a group photo of MD, executives and staff.

Driven by Technology – LDC Computer Lab inaugurated

The new computer lab of Learning and Development Centre (LDC), Hyderabad was inaugurated on May 12, 2026 at Regional Office Hyderabad. Madni Ahmed Ali Arfat, SGM (Upper Sindh & Balochistan) performed the ribbon cutting ceremony to mark the opening of the lab. The inauguration ceremony also featured Shahbaz Islam, GM-I (HSEQA/QC), Farooq Nizamani, AGM/RM (Regional Office Hyderabad) and Naik Mohammad, DGM (CP), among other executives. The colourful ceremony was hosted by Danish Ahmed, DCM-LCD and his team.

In his remarks, the SGM lauded the LDC team for the timely initiative. He stressed on the importance of computer literacy in strengthening digital skills and enhancing professional competence in the modern workplace. While thanking SGM and GM-HSE for travelling all the way to Karachi to attend the ceremony, DCM-LCD appreciated the Company management for working towards fostering a culture of excellence, innovation, and capacity building within the organization.

Anti gas compressor ambient campaign executed

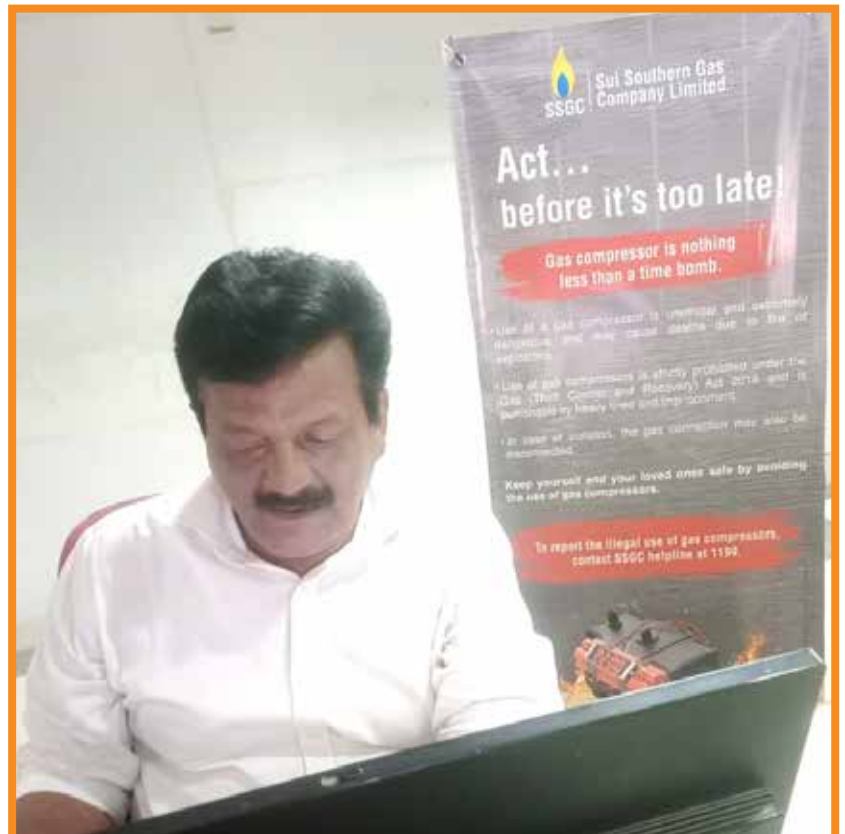

SSGC's Corporate Communication Department ran a brief yet an impactful ambient campaign to create awareness about the illegal and dangerous use of gas compressors / suction pumps in May 2026.

The campaign involved putting up anti- gas compressor content in four languages (Urdu, Sindhi, Balochi and

English) in SSGC's Customer Facilitation Centres (CFCs) in Sindh and Balochistan.

CFCs were chosen as the ideal medium for creating awareness through collaterals since they are frequented by a large number of customers for redressal of their gas related complaints.

Retirement quotes that will resonate with any retiree

“ Retirement is not the end of the road. It is the beginning of the open highway.

There is a whole new kind of life ahead, full of experiences just waiting to happen. Some call it 'retirement.' I call it bliss.

For many, retirement is a time for personal growth, which becomes the path to greater freedom.

Retirement is the only time in your life when time no longer equals money.

Retire from your job, but never retire your mind.

And in the end it's not the years in your life that count. It's the life in your years.

A Tribute to a Distinguished Career: Farewell to Mr. Shabbir Shaikh

The Measurement Distribution Department recently organized a heartfelt departmental farewell to honor the retirement of Chief Engineer Mr. Shabbir Shaikh, marking the conclusion of a remarkable professional journey spanning more than three decades.

Mr. Shaikh dedicated over 30 years of exemplary service to the organization, spending the majority of his career in the Measurement Distribution Department. Throughout his tenure, he served as Section Head for almost all sections within the department, demonstrating exceptional leadership, technical expertise, and an unwavering commitment to operational excellence. His guidance and mentorship played a significant role in shaping the

department and developing many professionals who continue to serve the company today.

The gathering was attended by officers and staff members of the department, along with SGM UFG Mr. Adil Aziz Khan and AGM (Meas-Dist) Mr. Irfan Raza, who graced the occasion to pay tribute to Mr. Shaikh's invaluable contributions. During the ceremony, colleagues shared fond memories and expressed their appreciation for Mr. Shaikh's leadership and support.

In recognition of his outstanding service and lasting impact, commemorative gifts were presented to him as a token of gratitude from the department.

زمین سے اعترافِ ندامت

اے زمین ترے مجرم ہیں ہم، آج یہ اعتراف کرتے ہیں
تری تباہی کے ذمہ دار ہیں، یہ اعتراف واشگاف کرتے ہیں

نہ کبھی ہم نے سبزہ اگایا، نہ کبھی کوئی شجر لگایا ہے
اے زمین ترے مجرموں نے فقط تجھ پر ستم ہی ڈھایا ہے

ترے ہرے بھرے درختوں کو ہم نے بے دردی سے کاٹا ہے
اپنے مفاد کی خاطر کئے گئے ہر اس سودے میں گھاٹا ہے

زمین پر کہیں قحط سالی تو کہیں تباہ کن سیلاب آتے ہیں
سب حضرت انسان کے کارنامے ہیں جن پر عذاب آتے ہیں

تتلیاں اب نظر نہیں آتیں، پھول پہلے کی طرح نہیں کھلتے
جابجا درختوں پر اب پرندوں کے گھونسلے نہیں ملتے

گرمی کی تپش اب زمین کے مکینوں سے برداشت نہیں ہوتی
غصہ ناک پر دھرا رہتا ہے، دو گھڑی سکون سے بات نہیں ہوتی

ابھی بھی وقت نہیں گزرا، آؤ اس زمین کو سرسبز بنائیں
اپنی آنے والی نسلوں کے لیے کچھ اچھا چھوڑ کر جائیں

وصفی اک دن وہ آئے گا، ہم کو زمین کے دامن میں اتارا جائے گا
جواب بھی نہ جاگے تو ہمارے ساتھ، ہمارا یہ خسارہ جائے گا
